Comments in writing: I'd love to share my story of how I used the resources available to get off the streets and become successful but it's requested not to provide personal information. So I'd just like to ask for your support with helping Amoowigamig help the community as well as supporting all the other non-profits trying to help the vulnerable folks of winnipeg. Thank you very much for your time and help. God bless you and have a wonderful day.
