Comments in writing: Dear Mayor Gillingham Councillors Rollins, Orlikow, Browaty, Lukes and Mayes, I respectfully ask you to support the designation of Crescentwood-Enderton Park as an HCD.
I enjoyed living in and supporting my parents in this unique and historic neighbourhood for more than 50 years. My mother as a member of what was then the Crescentwood Homeowners Association (1970s) helped develop, write and promote the publication " A Walking Tour of Crescentwood". As such, I gained a deep appreciation for this historically and architecturally significant area from my early years. It's important to preserve the character of this wonderful area and the HDC will help achieve this important step for the area and for the City of Winnipeg. Thank you.
