Re: Agenda item - Report of the Standing Policy Committee on Property and Development - March 2, 2023, Item No. 4 Crescentwood Heritage Conservation District Plan

Mayor Gillingham, Councillors Browaty, Lukes, Mayes, Orlikow and Rollins, I have lived within the proposed H Heritage Conservation District (HCD) boundary for 25 years. I fully support the designation of the Crescentwood-Enderton Park neighborhood as a HCD in accordance with the Crescentwood-Enderton Park HCD Plan. This unique pocket of character homes was designed in 1902 by Mr. Charles Enderton, who made use of caveats, leading to what is now a neighborhood of architecturally significant homes with styles and materials from that period (1900-1920s) centered around Enderton Park, with streetscapes from a by-gone era. Recent demolitions and developments in this neighborhood have shown that Crescentwood's historically significant architectural designs and park-like setting may soon be lost. By choosing to help preserve this neighborhood's built heritage through an HCD designation, the City of Winnipeg will be helping to ensure that future citizens will be able enjoy this distinct neighborhood.
