Comments in writing: Your Worship Mayor Gillingham and Members of EPC,

I am writing in support of efforts to restore last year's funding to Amoowigamig, the public washroom at 715 Main Street. This is a vital service and has proven to be life-saving in cases of accidental drug overdose. I applaud the work of Council and the public service in seeking funds to restore the 2022 allocation.

That said, I urge you to work to further expand this facility, growing it to a full 24/7 operation as soon as possible. We can only consider ourselves to be a caring and progressive community if we first do the things that look after those who are vulnerable or who are without a voice to speak their needs. Thank you.

Yours truly,

Stephen West
