Minutes – Executive Policy Committee – March 21, 2023

BUDGET REVIEW

Item No. 10 Winnipeg Police Board – Preliminary 2023 Operating and Capital Budget Recommendations

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

The Executive Policy Committee forwarded to Council the following recommendations of the Winnipeg Police Board:

1. That the Board provide Council with an estimate of $326,595,934 as the total operating costs of the Winnipeg Police Service in 2023 that are required to maintain an adequate and effective police service in Winnipeg, with the proviso that there are risks associated with the $9,226,701 expenditure management target that could result in an over-expenditure authorization request in 2023;

2. That the Board advise Council that it estimates the net mill rate support required for the Winnipeg Police Service in 2023 at $280,924,975 based on a revenue estimate of $45,670,959;

3. That the Board provide Council with an estimate of $3,034,000 as the total cost for approved capital projects for the Winnipeg Police Service in 2023 that are required to maintain an adequate and effective police service in Winnipeg, with a proviso that there are risks such as replacement of critical equipment that remain unfunded. The Board acknowledges the 2023 capital projects will be funded by external debt, which will result in increased debt and financing costs in future years;

4. That the Board advise Council of the risks associated with this budget recommendation, specifically the factors that may impact the budgeted expenditure management target. The risks identified in the Winnipeg Police Service 2023 Preliminary Budget Update presentation include:

    A. the addition of critical positions in the 911 Communications Centre without the associated funding;

    B. inflation on fuel, fleet parts and equipment, and IT maintenance agreements;

    C. growing demand for policing services relative to increasing number of calls for service and the increase in the population of the city;

    D. volume of major critical incidents escalating violent crime and complexity of investigations;

EXECUTIVE POLICY COMMITTEE RECOMMENDATION (continued):

E. fine revenue from traffic enforcement continuing to trend down;

F. timing and outcome of the negotiation of new collective agreements that expired on December 31, 2021;

G. possible discontinuation of externally funded program agreements;

H. operating budget risks and unfunded capital projects.

5. That the Board has adhered to The Police Services Act and refers the 2023 Preliminary Operating and Capital Budget as they pertain to the Winnipeg Police Service and as tabled by Executive Policy Committee, to Council for their consideration.
