RE: 2023 School Division Special Levies By-law

As noted in the Preamble to the enclosed By-law, The Public Schools Act requires that, upon receiving a statement from a school board setting out the amount of revenue that will be required to be raised by a special levy and the amounts that have been apportioned in that year in accordance with subsection 186(2) of the Act, the Council of each municipality shall, in respect of real and personal property that is assessable property that is within the municipality and the school division, fix and impose a tax sufficient to raise the amount that is apportioned to the municipality and set out in the statement from the school board. The City of Winnipeg has received from each of the school divisions referred to in the enclosed by-law an amount to be raised by levying a rate on assessable property in the city of Winnipeg.

Enactment of the enclosed By-law enables Council to comply with this statutory obligation. Please place it before Council at its meeting on March 22 for Council's consideration and enactment.
