REASON FOR THE REPORT

Section 184 of *The Public Schools Act* requires the Council of the City of Winnipeg to fix and impose an Education Support Levy. Section 188 similarly requires the fixing and imposition of a Special Levy.

IMPLICATIONS OF THE RECOMMENDATIONS

Property owners in the City of Winnipeg are affected by increases or decreases in education related mill rates.

There is no financial impact to the City of Winnipeg organization as the establishing of the education-related mill rates is revenue-neutral to the operating budget.

HISTORY/DISCUSSION

The **Education Support Levy** represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The **Special Levy** represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy. In accordance with legislation, Council is required to annually collect and remit the City's share of these two levies to the Province and the school divisions respectively.

Provincial Education Support Levy

The Provincial Education Support Levy represents an amount the Province of Manitoba collects for educational purposes province-wide. Each municipality in the province is required to bill, collect and remit its respective share of this total amount.

The Provincial Education Support levy on Residential property was eliminated in 2006.

The Provincial Education Support levy on non-residential ("Other") property is $110,543,222 representing an increase of $2,033,010 or 1.9% higher than the 2022 requirement.

The 2023 requirement corresponds to a mill rate of 8.413 for "Other" property which is 4.6% lower than the 2022 mill rate (see Schedule A).

Special Levy

The Special Levy represents the various school divisions' additional requirements or portions of their costs that do not qualify for provincial assistance under the province-wide Education Support Levy.

The City's eight school divisions' 2023 Special Levy requirements total $622,915,471 an increase of $4,010,155.58 or 0.6% higher than the 2022 requirement. This change in Special Levy requirements ranges from an 8.7% decrease in the Interlake School Division to a 7.3% increase in the Seven Oaks School Division (see Schedule A).

The change in the school divisions' Special Levy requirements, coupled with the change in their respective portioned assessment subject to this levy, has resulted in mill rate changes ranging from a 14.4% decrease in the Interlake School Division to a 4.6% decrease in the Seven Oaks School Division (see Schedule A).

Impact of Combined Mill Rate for Education Purposes

For 2023, the combined levies for education purposes in Winnipeg will total $733,458,693, which is $6,043,165.58 or 0.8% higher than in 2022 (see Schedule “A”).

Based on the 2023 Operating Budget, education taxes now represent 51.72% of all property taxes collected in Winnipeg, compared to 52.68% in 2022 and 53.6% in 2021.
