DECISION MAKING HISTORY:

COUNCIL DECISION:

On March 23, 2023, Council referred the following motion to Executive Policy Committee:

WHEREAS the City of Winnipeg is facing significant and diverse socio-economic challenges requiring collaborative leadership from City Council as a collective body;

AND WHEREAS the traditional ward-based and "strong Mayor" models of municipal governance inherently prevent City Council from tackling city-wide issues and embracing transformational city-building initiatives;

AND WHEREAS Mayor Scott Gillingham has set a strong example of inclusive leadership by holding a strategic planning session with members of City Council, symbolically sitting in alphabetical order amongst City Councillors in Council Chambers during meetings of City Council, and holding regularly meetings with City Councillors; and

AND WHEREAS an annual strategic planning process, with a formal, City-Council adopted plan would serve to coordinate City Council's governance and ensure that municipal government is working in unison and in an accountable manner to address the pressing demands facing the City of Winnipeg;

THEREFORE BE IT RESOLVED:

1. That the City of Winnipeg call upon the Province of Manitoba to amend The City of Winnipeg Charter Act to require City Council to produce a four-year strategic plan (the "Strategic Plan") prior to March 31st in the calendar year following a Winnipeg Civic General Election;

2. That the Province of Manitoba, in its amendment, require:

    C. that the Strategic Plan be subject to a vote of City Council requiring the support of no less than a 2/3 majority; and
