EXECUTIVE SUMMARY

On January 30, 2020, Council passed a motion to adopt the Welcoming Winnipeg: Reconciling our History Policy. This policy was developed to guide the City in making decisions regarding requests to create new, add to, or remove/rename historical markers and place names and resolve the absence of Indigenous histories and contributions in the stories remembered and commemorated. Welcoming Winnipeg will proactively utilize a lens of balance, inclusion, and Indigenous perspectives.

On February 12, 2021, a formal Welcoming Winnipeg request form was unveiled to the public; a request was submitted to create new historical markers within Provencher Park (590 Langevin Street) acknowledging the stories of newcomers and Métis francophones in the form of interpretive markers linking to podcasts. These markers would be installed permanently and will include French and English text, they will also provide a voice and space for these groups to express their story and share it with the rest of Winnipeg.

The Welcoming Winnipeg: Reconciling our History policy aligns at a municipal level with Truth and Reconciliation Commission (TRC) Call to Action #43 and the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP), particularly Article 15:

1. Indigenous peoples have the right to the dignity and diversity of their cultures, traditions, histories and aspirations which shall be appropriately reflected in education and public information.
2. States shall take effective measures, in consultation and cooperation with the Indigenous peoples concerned, to combat prejudice and eliminate discrimination and to promote tolerance, understanding and good relations among Indigenous peoples and all other segments of society.

After careful consideration, the Committee of Community Members (CCM) is recommending that Council support this request with the addition that a land acknowledgment be included in each podcast. The cost of this project would be up to \$700.00 and will be funded through the Indigenous Relations Journey of Reconciliation budget.

RECOMMENDATIONS

1. That the new historical markers, in the form of interpretive panels linking to podcasts (as proposed in Appendix A), be installed in Provencher Park in consultation with the Public Service, with the addition that a land acknowledgment be included in each podcast created by the proponent.
2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

On January 30, 2020, Council concurred in the recommendation of the Executive Policy Committee (EPC) that the recommendations of the community member-based committee be forwarded to EPC and then to Council for final decision.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations of this report are concurred in, new historical markers will be permanently installed within Provencher Park (590 Langevin Street) acknowledging the stories of newcomers and Métis francophones in the form of podcasts and interpretive markers.

Costs of the installation, \$700, will be funded through existing budgets and no new money is required.

HISTORY/DISCUSSIONDecision-making history

On January 30, 2020, Council passed a motion to adopt the Welcoming Winnipeg: Reconciling our History Policy. This policy was developed to guide the City in making decisions regarding requests to create new, add to, or remove/rename historical markers and place names and resolve the absence of Indigenous histories and contributions in the stories remembered and commemorated. Welcoming Winnipeg will proactively utilize a lens of balance, inclusion, and Indigenous perspectives.

As recommended in this policy, the inaugural Committee of Community Members (CCM) was established in August 2020; a key function of this committee is review requests to change historical or place names and provide a recommendation to the Executive Policy Committee (EPC) and Council for final decision.

On February 12, 2021, a formal Welcoming Winnipeg request form was unveiled to the public; a request was submitted to create new historical markers within Provencher Park (590 Langevin Street) acknowledging the stories of newcomers and Métis francophones in the form of interpretive markers linking to podcasts. These markers would be installed permanently and will include French and English text, they will also provide a voice and space for these groups to express their story and share it with the rest of Winnipeg.

Considerations for this naming request

The CCM reviewed the decision-making history and the information provided by the applicant (summarized in Appendix A) and then as a delegate at the committee's July 18, 2022, meeting. Additionally, the public input that was collected over a two-week period was provided to the CCM to consider as part of their recommendation-making process. An overview of the feedback collected has been included in a Public Engagement Summary Report (Appendix B).

The CCM considered how this request meets the following definition of a "Welcoming Winnipeg" request, which was created through two phases of public engagement in 2019 and was refined by the CCM. A Welcoming Winnipeg request is one that:

- Ultimately achieves a balanced perspective/story;
- Honours Indigenous peoples as the original peoples of this land and the contemporary context in which Indigenous peoples continue to have relationship with this land;
- Promotes Indigenous reclamation of land, space and/or language;
- Offers an educational opportunity; or,
- Supports telling the complete history of Winnipeg.

Utilizing the Welcoming Winnipeg Request Assessment Tool (Appendix C), the CCM identified the following as key considerations:

1. Welcoming Winnipeg

- Cuisine ton quartier walking tour includes signage and podcasts that provide a perspective on the diverse origins and stories of people from the Franco-Manitoban community that are usually marginalized and misunderstood (newcomers & Métis).
- This project is fully accessible to anyone walking, rolling, or using the park. These signs will include French and English text, as well as a QR code that leads the visitor to a website and podcast highlighting the individual's story.

2. Research and Rationale

- Cuisine ton quartier has purposely chosen to include a land acknowledgment on its main information signage to ensure sufficient honouring of the land on which it is installed.
- One of the individuals featured in this walking tour will be Métis, which will help the project encompass the diverse cultures that form our Franco-Manitoban community.

3. Community Support

- With respect to the public input process, in response to the question: "Do you think the Committee of Community Members should support this request", 100% of respondents to the online survey said 'yes'. There were 5 responses received.

4. Other considerations

- Funding for this project has been secured by the applicant.

The Welcoming Winnipeg: Reconciling our History policy was adopted because of a demonstrated need for changes to how the City approaches commemoration and to ensure Indigenous perspectives are reflected in the City's historical markers and place names.

This policy aligns at a municipal level with Truth and Reconciliation Commission (TRC) Call to Action #43 and the United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP), particularly Article 15:

1. Indigenous peoples have the right to the dignity and diversity of their cultures, traditions, histories and aspirations which shall be appropriately reflected in education and public information.
2. States shall take effective measures, in consultation and cooperation with the Indigenous peoples concerned, to combat prejudice and eliminate discrimination and to promote tolerance, understanding and good relations among Indigenous peoples and all other segments of society.

After careful consideration, the Committee of Community Members (CCM) is recommending that Council support this request with the addition that a land acknowledgment be included in each podcast. The cost of this project would be up to \$700.00 and will be funded through the Indigenous Relations Journey of Reconciliation budget, pending Council approval.
