Hi Jenny:

We have three quotes on the Stone & Paver repair. We have chosen the middle one in that they are the same group who did the painting and electrical work last year and we were pleased with the service. The lowest did not detail their work as well and it was just a little lower and the other one was quite a bit higher. Quote is attached.

They were also able to quote on the flagpole on the short notice from you last Thursday. Norm Fear was to look into this also over a month ago but never did get back to me.

Also, a woman on Jubilee, Mrs. Atchison, called me when the park was being cleaned up screaming that we were destroying the park. Complaining about roses bushes being removed last year. So we would also like to include $200.00 plus taxes for 10 - 12 Morden Rose bushes to be installed.

1. Pavers $2,700.00 plus GST see attachment
2. Flagpole $l,911.00 plus GST " "
3. Roses $ 200.00 plus taxes

Total $4,181.00 plus taxes

Hope this all meets with approval.

The Park was trimmed and cleaned up and is beginning to look really great. There is still the issue of some of the bush replacements not surviving last summers planting and Norm Fear was to be looking after that part from his budget. I did request a response by today from him but did not get a reply.

Have a nice day.
