HISTORY/DISCUSSION

On December 15, 2021, Council adopted the 2022 Capital Budget which included $700,000 for Spray Pad Development - Maples Community Centre- Adsum Park project.

In January 2022, the Public Service assisted the board of Maples Community Centre to apply for funds to the Province of Manitoba- Building Sustainable Communities program to supplement and leverage the Council approved funds for the above referenced spray pad project.

On May 6, 2022, the Province of Manitoba announced 2022 funding from the Building Sustainable Communities program, which included a grant of $300,000 for the planned spray pad.

On June 23, 2022, Council amended the 2022 Adopted Capital Budget for the Spray Pad Development – Maples Community Centre – Adsum Park and project budget increased from $700,000 to $1,000,000 to reflect grant funds received by Maples Recreation Association through the Building Sustainable Communities program.
