RE: **KIRKBRIDGE PARK**

Kirkbridge Park, located within the Richmond West Park Sub-Division, requires funds in the amount of $65,000 from the Riel Land Dedication Reserve Account in order to complete the northwest portion of the park backing onto Calderwood Bay.

During the Phase 2 Development of Kirkbridge Park, it was decided not to complete Kirkbridge Park's northern boundary until all the adjacent residential properties were fully developed. Funding to complete this section of the park was to be determined at a later date as the construction budget at the time had been fully expended.

Enclosed is the cost estimate to complete the work

I have requested that the Community Clerk place this matter on the July 6, 2004 Community Committee Meeting Agenda for the Committee's consideration.

I trust this information is satisfactory for your purpose at this time. However, should you require additional information or clarification, I can be contacted at 986 – 3781.
