ATTACHMENT TO APPLICATION

As stated in our presentation letter. The founder of the Garden of Memories had always envisioned a formal entrance.

500 Wing would like to complete the garden with a proper dignified entrance during the 80th anniversary year of the R.C.A.F. identifying it as the "Garden of Memories". This has been a comment made by many visitors, that the memorial needs something to say what it is.

Peter DeSmedt is also a member of the Air Force Association of Canada and 500 Wing and a past national president, which explains why the letter was directed to him who in turn referred me to Community Services.

The contractor TATRA ORNAMENTAL IRON WORKS needs 4-5 weeks to construct the entrance arch. So once monies are confirmed he will commence construction, approximately mid July. We would like to erect it by 17 Sept and dedicate it on the 19 Sep. 2004 "Battle of Britian" Sunday, which is a day the Air Force reveres with a formal church service.

Sincerely

Chris P. Fulcher

Dear Mr. De Smedt:

On June 6th 1999 500 (City of Winnipeg) Wing of the Air Force Association of Canada dedicated the Garden of Memories in the Air Force Heritage Park on Air Force Way in Winnipeg. This memorial is a lasting tribute to the British Commonwealth Air Training Plan that trained more than 130,000 young men from around the Commonwealth for aircrew duty during the Second World War and was our way of celebrating the 75th Anniversary of the Royal Canadian Air Force. It has since become known throughout the world and has attracted visitors from as far away as Australia and New Zealand.

John Charles Bessey, the creator of the Garden of Memories, had always envisioned adding a formal gateway to the Garden, however, failing health and his eventual death put his vision on hold. We have now completed the design that John began and have permission from the Air Force to build the gates in Air Force Heritage Park as our 80th Anniversary project. I have included drawings of the gates for your information.

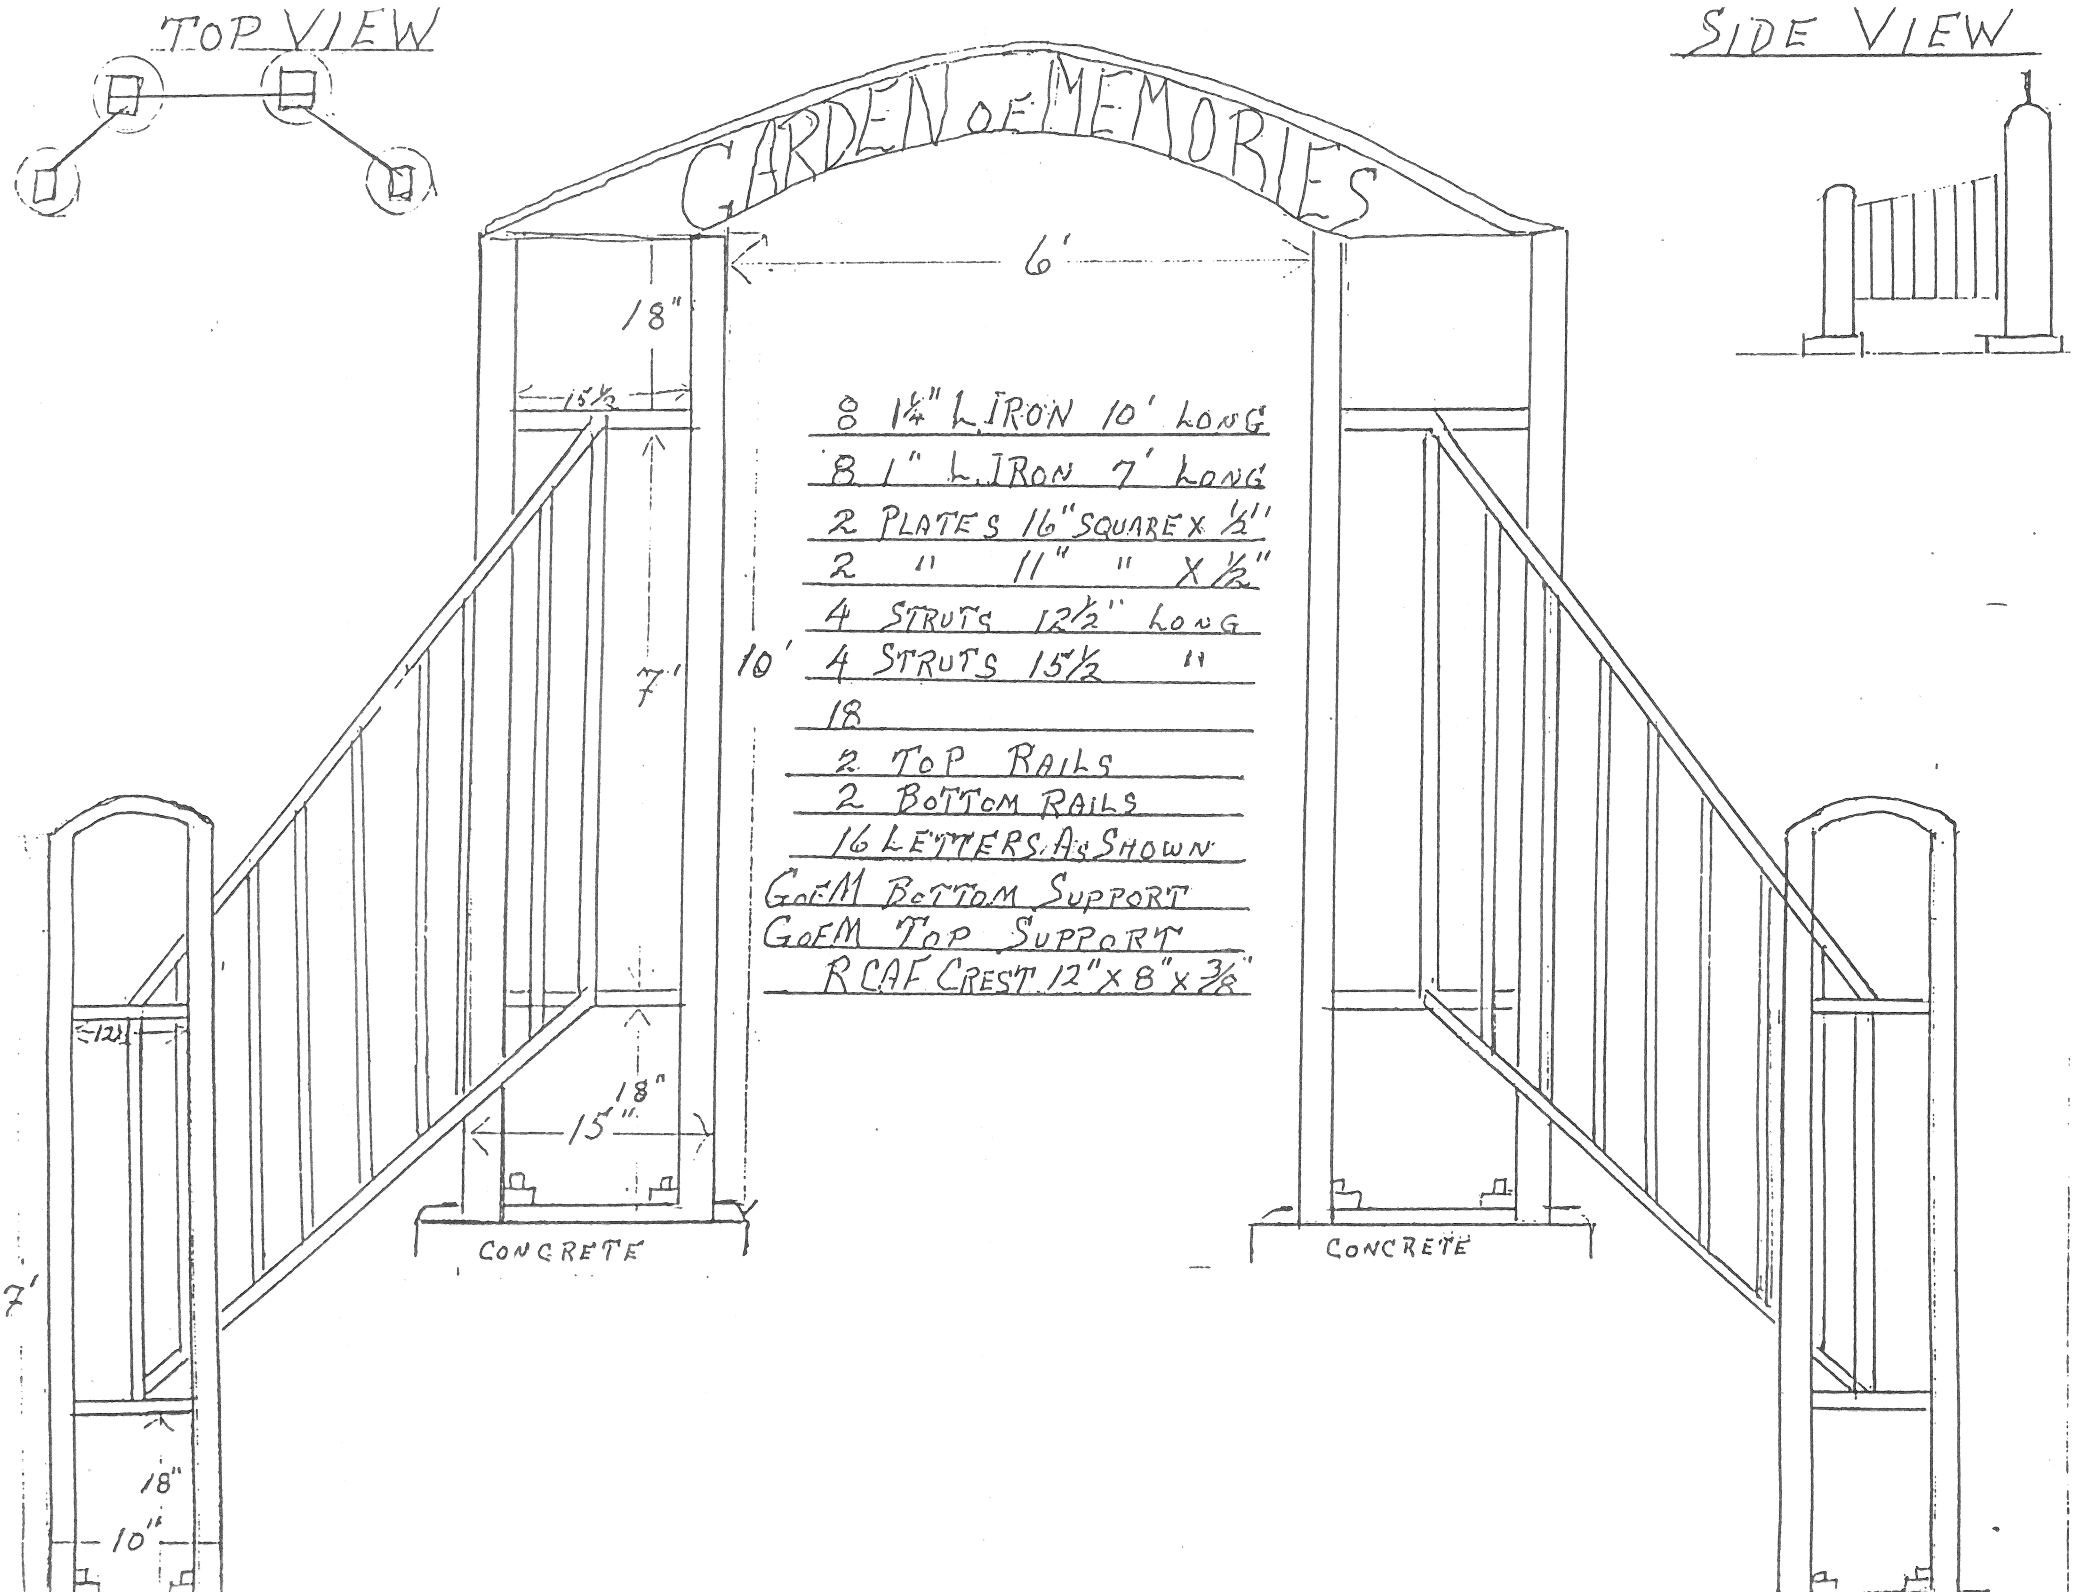

The Air Force Association of Canada is a non-profit organization whose mission is to preserve our Air Force heritage for future generations so that they may understand how Canada became the proud nation it is. Unfortunately, the $10,000 needed for this project is more than we can afford ourselves and we need your help. Your contribution will be recognized in the official programme for the Dedication and Unveiling Ceremony. Donors will also be invited to a post-event light luncheon followed by a tour of the new Military Aviation Museum at 17 Wing.

A project of this calibre can only be successful with the cooperation of many partners. We invite you to join us in honouring the memory of the brave Commonwealth airmen who gave so much to the cause of freedom.

Yours truly,

C.P. (Chris) Nielsen
