Comments in writing: This Committee was created to oppose the abuse of Human Rights in and by the City. Stamping out the use of offensive pronouns may be important to some, but there are other abuses of Human Rights that are not mentioned in this report. With respect, I suggest that Council caution this Committee to be more inclusive in its subject matter. Another viable option would be to rename the HRCC, to reflect its actual focus, that being to address the rampant lack of political correctness in city operations. In recent years, Winnipeggers have been very concerned, when the actions of Council seem to have violated the Manitoba Human Rights code. The 2022 Report is silent on actual HR Complaints and allegations.
