Comments in writing: I am writing to urge you to prioritise the implementation and funding of the Community Energy Investment Roadmap (CEIR) by including it in the Strategic Priorities Action Plan (SPAP). The CEIR has been approved but is not currently included in the SPAP which I feel is a big mistake.

Following the roadmap will be hugely beneficial to the economy in Winnipeg and help us reach net zero emissions by 2050.

Please .include the Community Energy Investment Roadmap (CEIR) in the Strategic Priorities Action Plan (SPAP).

Thank you,
Riley
