Delegation information
Committee: Council
Committee - council: Opposed to the recommendations
Committee - other: N/A
Agenda item (number and title): service 1 trees.

Service inquiry: Register as a Delegation, Submit Comments in writing
Participation preference: Via Zoom

Comments in writing: I support the idea of planting trees for their beauty. I do not support the way that the city does this. Money has been handed out in past years, but we seem to have nothing to show for it. City staff cannot tell us where our very expensive trees are, if they still exist. The city should require that every planting operation location be published. Until your funding agreements are amended, please do not fund these requests.
