RE: Winnipeg Parking By-Law Amendment

Please find enclosed a by-law which amends the Winnipeg Parking By-Law No. 86/2016.

This amending by-law was approved at Council at its meeting on February 23, 2023, but, due to an oversight, no final version of the amending by-law was made available to Council for enactment at that meeting.

We are enclosing a final version of the amending by-law for enactment by Council at its next meeting. We believe this can be done as a Communication, on the basis of Council's direction that "the proper officers of the City do all things necessary to implement the intent" of its approval of the amendment in February.

Should you have any concerns or questions, feel free to contact our office.
