EXECUTIVE SUMMARY

On September 22, 2022, Council adopted the Executive Policy Committee recommendation to receive the Intersection Signal Infrastructure Investigation Report as information. Additionally, the City Auditor was directed to report back on the implementation status of the 19 recommendations contained in the *Traffic Signals Branch Performance Audit, November 2010*.

The key observations include:

Of the 19 recommendations 11 were fully implemented, two partially implemented, one was not implemented, and two were not to be implemented. We were unable to conclude whether three recommendations were implemented. (Unable to conclude is defined as insufficient information in order to determine whether the recommendation was implemented. Certain outcomes were present which indicated that the recommendation may have been implemented, but the findings were inconclusive.)

RECOMMENDATIONS

1. That the Implementation of Audit Recommendations Report for the Traffic Signals Branch Performance Audit, November 2010 be received as information.

REASON FOR THE REPORT

The report is being submitted in accordance with the City Organization By-law 7100/97 section 19(d) (iv) that the Audit Committee will “Receive and review audit reports, and table such reports with its recommendations at a regular meeting of Executive Policy Committee.”

IMPLICATIONS OF THE RECOMMENDATIONS

There are no implications arising from receiving this report as information.

HISTORY/DISCUSSION

Prior to 2015, the process for implementation of audit recommendations relied on Public Service representation. As of 2015, the Public Service is required to provide documentation and related activities that support progress and implementation, which is reviewed by the Audit Department for confirmation.

On September 22, 2022, City Council adopted the motion that *the City Auditor be directed to report back on the 19 recommendations made by the City Auditor to Council in November 2010* utilizing our current process in place.
