IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Owner will be allowed a time extension to May 27, 2024, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On December 17, 2020, Council adopted Item No. 17 of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated December 7, 2020 which recommended approval of a subdivision and rezoning to an "RMF-L PDO-1 CORYDON OSBORNE" Residential Multi-Family (Large) District under Winnipeg Zoning By-Law 200/2006. See Appendix "A" map attached.

The rezoning By-law No. 46/2021 was enacted by Council on May 27, 2021.

Sections 3 and 4 of By-law No. 46/2021 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision is registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision has not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

(a) The owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

On June 23, 2022, Council adopted Item No. 8 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated June 6, 2022 extending the time limit to satisfy the Coming into Force provisions of By-law 46/2021 to May 27, 2023.

By-law No. 46/2021 has not come into force by the required registration of the Plan of Subdivision and the one (1) year time limit will expire on May 27, 2023.

On May 10, 2023, the Applicant, Ventura Developments Inc., Attention: Pascal Toupin-Selinger, 2-475 Dovercourt Drive, Winnipeg, Manitoba, R3Y 1G4 on behalf of the Owner, Grosvenor Apartment Holdings Inc. applied for an Extension of Time application and requested that the time limit to satisfy the Coming into Force provisions of By-law No. 46/2021 be extended to May 27, 2024 in order to complete the required registrations. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

Dear Land Development Branch Administrator,

Ventura Developments Inc. (the Applicant) on behalf of Grosvenor Holdings Inc. (the Owner), is requesting an extension of time for the subject bylaw (46/2021) that has yet to come into affect.

The bylaw was passed by council on May 27, 2021, and was set to expire on May 27, 2022. In May of 2022 the applicant applied and received an extension of time to complete all requirements for the rezoning to be formalized by Council. The extension was requested and granted on May 27, 2022, to allow the applicant to register caveats and easements on title in favor of Manitoba Hydro and Bell MTS.

The applicant is once again requesting a one-year extension to the rezoning bylaw to allow the applicant to reapply and have approved the variances required to allow the construction of a multi-family dwelling on the property. The specific variance is regarding the minimum lot size requirements for an RMF-L zone. A variance order for was issued on December 01, 2020, and expired two years later December 01, 2022.

The applicant was informed by the Land Development Branch, on May 08, 2023, that the previously approved variance had expired, and therefore needs to reapply and moved forward for reapproval from council. Therefore, the applicant is once again requesting an extension in order to have enough time to reapply for the variances approved by council on December 01, 2020.

Thank you for your consideration on this matter.

Sincerely,

Pascal Toupin-Selinger
