Delegation information
Committee: Executive Policy Committee
Committee - council: N/A
Committee - other: N/A
Agenda item (number and title): water 7

Service inquiry: Register as a Delegation, Submit Comments in writing
Participation preference: Via Zoom
Comments in writing: As you continue to support myths and beliefs on protecting the environment, have you done any evaluations, that do not depend on the folks who seek funding? How much garbage is put in blue bins every week by those who do not know better or want to harm the system? How much of the material now in grey bins will be in weekly green bins if they are offered free? The paid compost collection system has no net GHG benefit, and never will have.
