Cost Estimates and Quotes

The West End BIZ is asking for $20 000.00 to complete the public art component of our Saturdays on Sargent initiative. This cost is based off the quotes below and will enable us to maximize the number of artists involved, including incorporating artists with various levels of expertise. Each mural will have an experienced artist mentoring an un-and-coming artist. This will not only contribute to on-site safety but will create a learning experience and strengthen the artist community in Winnipeg.

Hello Anna,

Here is our quote for the project. We're wondering if you have access to a studio or empty building we could use as studio space for the artists? So the artists would create the works safely behind the scenes, then do finishing touches on each event day.

In this model we would have each emerging artist paired with a mentor! This makes it a safe and positive project to build more artists up!

BUDGET
*per panel mural

Lead Artist Fees: $1,000
Mentor Fees: $750
Materials: $500
Installation: $150
Studio Rental: $500
Documentation: $350
Facilitation: $1,250
SUBTOTAL = $4,500 + GST

$4,500 x 3 panel murals = $13,500 + GST

[includes $1,500 for "studio" rental]
[includes $750 for project documentation]
[includes $1,500 contingency]

Questions:
- *Can we have an indoor studio / storage space to start work on the panels?*
- *Can we plan for three outdoor Saturdays for final touches? One in June, one in July, and one in August?*
  - *Example June 17th, July 15th, and August 19th*

Thanks folks!

Chloe

Exterior Mural Painting Quote for collective Mural projects

Mural project event to beautify and create 3-4 new murals on Sargent Avenue between the Balmoral and Arlington blocks. In the spirit of beautification and renewal, the project will reflect diverse artistic styles as well as showcase an inclusive mix of working artists. This initiative is a community-based project that includes contribution of new art by local Manitoba artists. Mural initiatives are led and collaborated with West End Biz and curated/ supported by Artist Mandy van Leeuwen. The murals will be created live at select participating building exteriors that lend to the public setting. Creation of these projects are fully accessible and invites the community to visit the progress and engage with the art while encouraging liveliness to the street scape. The project also aligns with other Sargent Avenue collaborative programming and is being developed to complement each aspect.

Theme: In development

Timeline:
June: Invited artists upon confirmed availability to create design plans for each mural.
July/ August: Mural creation, display and potential celebration event

Cost: $ 15,000.00

We look forward to creating this vision with you!

*please note the above quotes are for less than the 20K ask, and involved a smaller project scope. The extra 5K will allow us to include more artists and ensure site safety.
