5. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for the City to enter into Servicing Agreements that are a condition of approval under a Condominium plan of survey application (CONDO).

IMPLICATIONS OF THE RECOMMENDATIONS

Concurrence with this recommendation will enable servicing conditions to be applied to this application via a Servicing Agreement.

HISTORY/DISCUSSION

An application was received from Landmark Planning & Design Inc. on behalf of their client 10114489 Manitoba Ltd. for a proposed condominium plan of survey, as outlined in Schedule "A", into four (4) bareland condominium units, along with a common element, to facilitate separate titles for each single-family dwelling.

The Public Works Department and Water and Waste Department have identified various payments and/or improvements that are required to accommodate the proposed development.

It is therefore recommended that the Developer enter into a Servicing Agreement with the City to fulfill the conditions outlined in the attached Schedule “B”, the report of the Administrative Coordinating Group.
