Comments in writing: SPENDING MORE TAX CLEARING SNOW ON PATHS The motion at hand refers to human rights and safety. This is both myopic and ironic. Under previous leadership, the PW committee has trampled the rights of the differently abled, and has ignored warnings from the public. PW continues to ignore the safety of all who must commute on icy days, on foot, with no sidewalk in the area. Those who struggle on an icy road, among the cars, would love to have the so-much-safer snowy sidewalks, so often waved around by media and those behind this motion.
