City Council's Opportunities

- Partner with Indigenous governments and community to develop a shared vision for housing and inclusive housing models in rapidly build more housing
- Expedite approvals and waive fees for rental, social, and non-profit housing projects
- Find more little affordability city-owned land for low-income housing that is shovel-ready and affordable for-non-profit
- Expand the housing pipeline and improve new development services for affordable housing projects

Housing Provider	Project	# of Units	Housing Type	Estimated Date of Completion
Wahbung Abinoojiaag	**Watt Street Development**	**24**	**Transitional Housing**	**Fall 2024**
	Project Description: End Homelessness Winnipeg in partnership with Wahbung Abinoojiaag endeavoured to develop a transitional housing facility for women and children fleeing domestic violence or experiencing homelessness. The building contains 24-units and is located in the Elmwood/Chalmers neighbourhood. Units are primarily 3- and 4-bedroom to support larger families. 8 units will be accessible. Funding was made possible through a variety of sources, including RHI funding, Reaching Home, and the Province.			
Rainbow Resource Centre & Westminster Housing Society	**545 Broadway**	**21**	**Long-term Supportive**	**2024**
	Project Description: 545 Broadway provides affordable housing units geared to 2SLGBTQ seniors and is developed through a partnership between the Rainbow Resource Centre, West Broadway Community Organization, and Westminster Housing Society. The project contains 21-units and is located in the West Broadway neighbourhood. Support is provided by Reaching Home, CMHC, and the Province.			
Opaskwayak Cree Nation	**380 Young Street**	**69**	**Private Market Affordable**	**Summer 2024**
	Project Description: This property was acquired by Opaskwayak Cree Nation for the development of a 7-storey apartment building for affordable housing, which will includee 40 percent of the units set at deeply affordable rates. The project is intended to provide needed affordable rental units in a desirable neighbourhood. Several of these units will be reserved for First Nations students who have moved off reserve for post-secondary education. The project was supported through the National Housing Strategy, Efficiency Manitoba, and by Opaskwayak Cree Nation directly.			
Manitoba Metis Federation	**670 Main Street**	**20**	**Long-term Supportive**	**Complete**
	Project Description: The MMF completed construction on a 20 unit affordable housing project for Metis people at risk of or experiencing homelessness. 4 of the units are two-bedroom and primarily reserved for women and children feeling domestic violence, while the other 16 units are studios. Of those studio units, 6 are accessible. The project received RHI funding and was supported directly by the MMF.			
Manitoba Housing	**Various**	**97**	**Social Housing**	**Varying**
	Project Description: Manitoba Housing has been in the process of transferring ownership of social housing to private non-profit organizations. During the reporting time of 2019 - 2023, over 800 units appeared to be "lost" from the social housing inventory. This in fact was stock that was in the process of being transferred out of Manitoba Housing's direct control. These units are now under multi-year agreements with various non-profit groups throughout the city under multi-year agreements to provide a similar level of care and support. Manitoba Housing has also reported an increase of 97 new units since the beginning of Q1 2023 throughout the City.			
Southern Chiefs' Organization	**450 Portage Avenue**	**Approx. 300**	**Private Market Affordable**	**Fall 2025**
	Project Description: A landmark project for downtown Winnipeg, the development of the Hudson Bay Company by Southern Chiefs' Organization will result in a mixed-use development which will include almost 300 new affordable homes for First Nation families. Funding is provided by the Province and CMHC via the National Housing Co-Investment Fund.
