I. Participation in intergovernmental or interagency initiatives on addiction, anti-poverty policy and/or other social crisis interventions, including action by the Mayor, Mayor's Office or City Public Service (meetings or other activities) since last report.

Comment: No report at this time. The City of Winnipeg Housing Team participates on an Affordable Housing working group with the Province of Manitoba. The Housing Team also participates on a trilateral working group chaired by CMHC to share information on affordable housing activities/ initiatives at the three levels of government.

[2] City of Winnipeg supports some mixed-income projects, hence a number of market units are included/supported within projects.

J. Key HIFIS (Homeless Individuals and Families Information System) indicators [details to be confirmed in coordination with End Homelessness Winnipeg by July 1, 2023)

Comment: It is recommended to request End Homelessness Winnipeg provide this update at their regular report to EPC as they are the stewards of this data.

K. CMHC has officially launched the Housing Accelerator Fund (HAF) - a $4B program that is committed to issuing an additional 100,000 permits across Canada over the next 3 years. The City of Winnipeg has been identified as an early growth leader, allowing advance application and to work directly with CMHC to complete our application, which is due on June 14, 2023. The intake process for the remaining urban centers will be later in the summer. The HAF application is being developed by the public service in consultation with other governments, private sector, non-profits, associations and End Homelessness Winnipeg. To date, the public service has consulted with the following stakeholders – to create awareness of the program and to learn how the City could remove barriers to accelerated housing:

CentreVenture
End Homelessness Winnipeg
Siloam Mission
Main Street Project
University of Winnipeg Community Renewal Corporation UWCRC 2.0 Inc.
Manitoba Home Builders Association
Urban Design Institute Province of Manitoba
Winnipeg Renewal Housing Corporation
Manitoba Heavy Construction Association
Manitoba Metis Federation
Winnipeg Chamber of Commerce
Winnipeg Construction Association
Manitoba Non-Profit Housing Association
Winnipeg Regional Real Estate Board
Treaty 1 Development Corporation
Sunshine House
Aboriginal Council of Winnipeg
True North Real Estate
The Winnipeg Foundation
Southern Chiefs' Organization Inc.
Bruce Oake Recovery Centre

Stakeholder meetings are ongoing and will continue for the duration of the HAF program.

Appendix: Definitions

Affordable Housing	Housing is generally considered "**affordable**" when households spend no more than 30% of their before-tax income on housing-related costs. Affordable housing can be owned by government, non-profit, or private sector. Housing will be most affordable to a family when tied to income, however this analysis is not always available. In the absence of income-tested housing or rent-geared-to-income, the following definitions can be followed.
Below Market Affordable Housing	The City of Winnipeg follows other government guidelines for **below market affordable housing.** This includes CMHC, where rents must be less than 80% of Median Market Rent (MMR). Below market affordable housing can also follow Province of Manitoba annual maximum affordable rental rates that are generally consistent with MMR.
More Deeply Affordable Housing	Other housing is considered more **'deeply affordable'** at **less than 60% MMR.**
Social Housing	**Social Housing (or Community Housing)** is housing owned by government, non-profits or cooperatives rented at affordable rates or rent-geared-to-income.
Rent-geared-to-income	**Rent-geared-to-income (RGI)** is housing where the rent is set at a proportion of that household's income (ie. 27-30%).
Transitional Housing	**Transitional housing** is often RGI, but includes additional supports. It is intended to offer a supportive living environment for its residents, including offering them the experience, tools, knowledge and opportunities for social and skill development to become more independent. It is considered an intermediate step between emergency shelter and supportive housing, and has limits on how long an individual or family can stay. Stays are typically between three months and three years.
Permanent Supportive Housing	**Permanent Supportive housing** is also often RGI. It provides a physical environment that is specifically designed to be safe, secure, enabling and home-like, with support services such as social services, provision of meals, housekeeping and social and recreational activities, in order to maximize residents' independence, privacy and dignity.
Affordable Homeownership	**Affordable homeownership** is housing that is developed with intention to sell to individuals or families with low to moderate income, at a maximum sale price and maximum income limit directed by government funding source (ie. Province of Manitoba)
Market Rental	**Market Rental** includes rental units that do not meet an affordability definition.
Purpose-built rental	**Purpose built rentals** are residential buildings that are built specifically to provide long-term rental accommodation. This includes independent living settings without on-site supports.
