Committee: Executive Policy Committee
Committee - council: N/A
Committee - other: N/A
Agenda item (number and title): 4

Service inquiry: Register as a Delegation, Submit Comments in writing
Participation preference: Via Zoom
Comments in writing: I support this review. There is no benefit to having a skilled repair-and-adjust person on duty every hour that the buildings are in use. We do need staff on hand who can be vigilant and are trained in how to react to symptoms of system failure. We should also consider automated systems to detect leakage etc. This principle can be applied to other jobs where sufficient staff cannot be found, but this is an obvious place to begin.
