Comments in writing: 1. The city is out of money.
2. There are many groups in the city who are in desperate money trouble. Senior levels of government brought in covid rules which doomed much of our economy. The Symphony, and a wide range of arts and hobby groups must learn to spend less. We cannot fund them all. If you fund just a few of them, you insult and vex thousands of voters and taxpayers. Diverting funds from capital projects to Arts Council projects is deception at its worst.
