Committee: Executive Policy Committee
Committee - council: N/A
Committee - other: N/A
Agenda item (number and title): Water 1

Service inquiry: Register as a Delegation, Submit Comments in writing
Participation preference: Via Zoom
Comments in writing: You committed a lot of time and money to an experiment. We have not seen any full report on the results of this experiment. We do not know that actual cost of collecting and treating this waste. We do not know the actual GHG costs of this new waste program. Until this information is released, you cannot move forward on this. If you had more carefully laid out good reporting requirements before funding the pilot, you would now have this data.
