

Minute No. 747

Report – Executive Policy Committee – October 17, 2023

**Item No. 18 Riverbank Stabilization along Kingston Row and Kingston Crescent
(St. Vital Ward)**

COUNCIL DECISION:

Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

1. That Council request funding from the Province of Manitoba and the Federal Government to address slope instabilities and provide additional protection and necessary stability improvements to ensure the long-term integrity of the Secondary Dike Corridor in areas at risk for properties along Kingston Row and Kingston Crescent.
2. That subject to funding from the Province of Manitoba and the Federal Government being secured, a local improvement or local improvement district be initiated pursuant to Section 408(a) of the City of Winnipeg Charter, as follows:

<i>Local Improvement or Local Improvement District</i>	<i>Location</i>
<i>Flood protection and riverbank stabilization work</i>	<i>Local Improvement – Properties on Dunkirk Road, Kingston Crescent and Kingston Row west of Elm Park Road inclusive to approx. 397 Kingston Cres.</i> <i>OR</i> <i>Local Improvement District - residential area situated on Dunkirk Road, Kingston Crescent and Kingston Row including and to the west of 173 Kingston Row and Elm Park Road.</i>

3. That the process as outlined in The City of Winnipeg Charter with respect to local improvement or local improvement district initiated by the City be undertaken.
4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Executive Policy Committee – October 17, 2023

DECISION MAKING HISTORY:

Moved by His Worship Mayor Gillingham,

That the recommendation of the Executive Policy Committee be adopted
by consent.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On October 17, 2023, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Water, Waste and Environment and submitted the matter to Council.

STANDING COMMITTEE RECOMMENDATION:

On October 12, 2023, the Standing Policy Committee on Water, Waste and Environment recommended to the Executive Policy Committee:

1. That Council request funding from the Province of Manitoba and the Federal Government to address slope instabilities and provide additional protection and necessary stability improvements to ensure the long-term integrity of the Secondary Dike Corridor in areas at risk for properties along Kingston Row and Kingston Crescent.
2. That subject to funding from the Province of Manitoba and the Federal Government being secured, a local improvement or local improvement district be initiated pursuant to Section 408(a) of the City of Winnipeg Charter, as follows:

<i>Local Improvement or Local Improvement District</i>	<i>Location</i>
<i>Flood protection and riverbank stabilization work</i>	<i>Local Improvement – Properties on Dunkirk Road, Kingston Crescent and Kingston Row west of Elm Park Road inclusive to approx. 397 Kingston Cres.</i> OR <i>Local Improvement District - residential area situated on Dunkirk Road, Kingston Crescent and Kingston Row including and to the west of 173 Kingston Row and Elm Park Road.</i>

Report – Executive Policy Committee – October 17, 2023

DECISION MAKING HISTORY (continued):

STANDING COMMITTEE RECOMMENDATION (continued):

3. That the process as outlined in The City of Winnipeg Charter with respect to local improvement or local improvement district initiated by the City be undertaken.
4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
