## REPORTS

**Item No. 18 Text Amendment – Winnipeg Zoning By-law No 200/2006 and Downtown Winnipeg Zoning By-law No. 100/2004 File DAZ 209/2023**

STANDING COMMITTEE RECOMMENDATION:

On November 2, 2023, the Standing Policy Committee on Property and Development concurred in the recommendation of the Winnipeg Public Service, as amended, and recommended to the Executive Policy Committee:

1. That the Winnipeg Zoning By-law No. 200/2006 and the Downtown Winnipeg Zoning By-law No 100/2004 be amended by regulating Short-Term Rental Accommodations (STRAs) as a land use, in accordance with the proposed by-law attached as Appendix "A" to this report.

2. That upon instruction from the Director of Planning, Property and Development, the Director of Legal Services/City Solicitor be directed to return the By-law directly to Council for first, second and third readings.

3. That the Proper Officers of the City do all things necessary to implement the intent of the foregoing.

DECISION MAKING HISTORY:

STANDING COMMITTEE RECOMMENDATION:

On November 2, 2023, the Standing Policy Committee on Property and Development concurred in the recommendation of the Winnipeg Public Service, with the following amendment:

- Delete Recommendation 1 in its entirety and replace it with the following:

  "1. That the Winnipeg Zoning By-law No. 200/2006 and the Downtown Winnipeg Zoning By-law No 100/2004 be amended by regulating Short-Term Rental Accommodations (STRAs) as a land use, in accordance with the proposed by-law attached as Appendix "A" to this report."

- Add the following new Recommendation 2 and renumber the remaining recommendation accordingly:

  "2. That upon instruction from the Director of Planning, Property and Development, the Director of Legal Services/City Solicitor be directed to return the By-law directly to Council for first, second and third readings."

and forwarded to the Executive Policy Committee.

On September 18, 2023, the Standing Policy Committee on Property and Development adjourned the public hearing to its meeting on November 2, 2023 at 9:30 a.m. in the Council Building at 510 Main Street.

On September 13, 2023, the Standing Policy Committee on Property and Development adjourned the public hearing to its meeting on September 18, 2023 at 9:30 a.m. in the Council Building at 510 Main Street.

## EXECUTIVE SUMMARY

On February 23, 2023, Council directed the Winnipeg Public Service to report back to the Standing Policy Committee on Property and Development with proposed amendments to the *Winnipeg Zoning By-law No.200/2006* and the *Downtown Winnipeg Zoning By-law No.100/2004* to establish a land use framework for regulating Short-Term Rental Accommodations (STRAs).

The by-law amendments proposed by this report are intended to establish STRAs as a land use under certain zoning districts and are part of a three-pronged regulatory program for STRAs that also includes licensing and enforcement (through the *Community Safety Business Licensing By-law No. 91/2008)* and taxation (through the *Accommodation Tax By-law No. 70/2008).*

A report detailing the proposed amendments to the *Community Safety Business Licensing By-law* and the *Accommodation Tax By-law* will be presented at a future meeting of the Executive Policy Committee. All by-law amendments will require approval by Council to be enacted. The zoning, licensing and enforcement, and taxation by-law amendments have been drafted to come into force on a harmonized timeline, thus ensuring that the entire regulatory approach can be considered and implemented concurrently.

This report is being submitted for the public hearing related to the proposed zoning by-law amendments. The public hearing was advertised in the Winnipeg Free Press and Winnipeg Sun per the requirements of the City of Winnipeg Charter.

This report recommends that Council enact the proposed amendments to the *Winnipeg Zoning By-law No. 200/2006* and *Downtown Winnipeg Zoning By-law No. 100/2004* (a draft amending by-law is attached as Appendix A to this report).

## RECOMMENDATIONS

1. That Council give first reading to a by-law to amend the *Winnipeg Zoning By-law No.200/2006* and the *Downtown Winnipeg Zoning By-law No.100/2004* (draft amending by-law is attached as Appendix A to this report) to regulate Short-Term Rental Accommodations (STRAs) as a land use.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

## REASON FOR THE REPORT

On February 23, 2023, Council directed the Public Service to initiate amendments to zoning by-laws, as follows:

> 4. That the Winnipeg Public Service be directed to report back to the Standing Policy Committee on Property and Development within 180 days with amendments to the Winnipeg Zoning By-law No. 200/2006 and Downtown Winnipeg Zoning By-law no. 100/2004, as well as a schedule for implementation and all associated resource implications.

## IMPLICATIONS OF THE RECOMMENDATIONS

There are no direct financial implications associated with this report.

Should the recommendations be approved, the attached text amendments will be incorporated into the City of Winnipeg Zoning By-law No.200/2006 and the Downtown Winnipeg Zoning By-law No.100/2004.

A schedule for implementation and associated resource implications for the regulatory program as a whole will be contained within the report accompanying proposed amendments to the Community Safety Business Licensing By-law and Accommodation Tax By-law.

## HISTORY/DISCUSSION

### HISTORY

With the increasing popularity of short-term rental accommodations (STRAs) within dwellings, the Public Service was directed to report back to Council with recommendations for regulating STRAs. A report considered by Council on February 23, 2023, provided a summary of public and stakeholder engagement and proposed a three-pronged regulatory program that included licensing and enforcement, zoning and land use, and taxation.

### APPROACH TO REGULATION

The Public Service recommended approaching the regulation of STRAs in a manner that scales this type of land use according to the intensity of the surrounding uses. The framework adopted

by Council includes two types of STRAs: one in a primary residence and one in a non-primary residence. Council adoption of a regulatory framework included:

2D. Individuals (but not corporations) would be allowed to rent their primary residence anywhere in the city, including in an area zoned R1 or R2;

2E. In addition, individuals with a permanent residence in Winnipeg, or corporations or partnerships wholly owned by Winnipeg residents with a short-term rental accommodations license, would be allowed to rent three (3) non-primary residential properties owned by them or the wholly-owned Winnipeg partnership or corporation as a short-term rental accommodation, conditional on their owning the properties on February 23, 2023, with a combination of the following:

i) In areas zoned multi-family, commercial, or under the Downtown Zoning By-Law;

ii) In areas zoned R1 and R2.

For STRAs that existed prior to February 23, 2023, and which were owned by individuals permanently residing in Winnipeg rather than by corporations, up to four STRAs per individual would be permitted, one in a primary residence and up to three in a non-primary residence. Properties acquired after February 23, 2023, cannot be used as non-primary STRAs.

This approach does not require zoning review or a development application as the use would be established within the City's zoning by-laws and regulated through licensing.

A summary of the proposed amendments to the *Winnipeg Zoning By-law No. 200/2006* and the *Downtown Winnipeg Zoning By-law No. 100/2004* is provided below and the draft amending By-law is attached as Appendix A to this report.

**Winnipeg Zoning By-law No.200/2006 and the Downtown Winnipeg Zoning By-law No.100/2004**

Both the *Winnipeg Zoning By-law No.200/2006* and the *Downtown Winnipeg Zoning By-law No.100/2004* will incorporate STRAs as a distinct use of land.

The proposed amendments to the *Winnipeg Zoning By-law No.200/2006* and the *Downtown Winnipeg Zoning By-law No.100/2004* will establish STRAs as a land use in zoning districts that permit residential uses.

STRAs that existed prior to the enactment of the zoning by-law amendments proposed by this by-law will have legally-established non-conforming use rights pursuant to the City of Winnipeg Charter. However, they will still be subject to the City's licensing requirements.

At this time, the Public Service does not recommend additional Use Specific Standards be added to the zoning by-laws in association with the STRA use, since the zoning framework is intended to be part of an overall regulatory program. The licensing and enforcement framework will regulate the operation of STRAs under the Community Safety Business Licensing By-law and will address requirements that could otherwise be included in Use Specific Standards, such as the maximum number of days of stay and the maximum number of STRAs owned by one entity. It should be noted that with this proposed approach, additional requirements/standards may be considered by Council in the future.

Bed and breakfasts are currently an accessory use in the Winnipeg Zoning By-law but also meet the new proposed definition of a STRA. It is proposed that 'bed and breakfasts' be eliminated as a distinct use and instead be regulated as an STRA.

The proposed amendments to the *Winnipeg Zoning By-law No. 200/2006* and the *Downtown Winnipeg Zoning By-law No. 100/2004* are as follows:

1. Add "Short Term Rental Accommodation" or "STRA" as a new land use to the definitions section of the *Winnipeg Zoning By-law* and *Downtown Winnipeg Zoning By-law*.

2. Add "Short Term Rental Accommodation" to the list of uses exempt from requiring a development permit.

3. Delete the definition of "Bed and Breakfast" as well as the related use specific standards.

4. Add "Short Term Rental Accommodation" as a permitted use in the Use Tables in the following zoning districts of the *Winnipeg Zoning By-law*:

    - "R1" Residential Single-family
    - "R2" Residential Two-family
    - "RMF" Residential Multi-family
    - "RMU" Residential Mixed Use
    - CMU" Commercial Mixed-use
    - "C1" Commercial Neighbourhood
    - "C2" Commercial Community

5. Replace "Bed and Breakfast" with "Short Term Rental Accommodation" as a permitted use in the Use Tables in the following zoning districts of the *Downtown Winnipeg Zoning By-law*:

    - Multiple-Use Sector
    - Character Sector
    - Downtown Living Sector
    - Riverbank Sector

A report detailing the proposed amendments to the Community Safety Business Licensing By-law and the Accommodation Tax By-law will be presented at a future meeting of the Executive Policy Committee. All by-law amendments will require approval by Council to be enacted and have been drafted to come into force on a harmonized timeline, thus ensuring that the entire regulatory approach can be considered and implemented concurrently.

**Resource Implications and Schedule for Implementation**

Once Council approves proposed amendments to the Winnipeg Zoning By-law No. 200/2006 and the Downtown Winnipeg Zoning By-law No.100/2004, together with the approval of forthcoming amendments to the Community Safety Business Licensing By-law No. 91/2008 and the Accommodation Tax By-law No. 70/2008 to enable a new framework to regulate the operation of STRAs, a period of time would be required before the program would take effect.

There are no direct financial implications associated with this report. The proposed Zoning by-law amendments do not have associated costs. However, the proposed amendments to include Bed and Breakfasts (currently categorized as a Home-Based Business) has an impact on revenue. Because Bed and Breakfast operations, previously a home-based business, would fall under the proposed Short Term Rental Accommodations use, a license fee in lieu of business tax proposed for STRAs would be applied. A schedule for implementation and associated resource implications for the regulatory program as a whole will be contained within the report accompanying proposed amendments to the Community Safety Business Licensing By-law and Accommodation Tax By-law.
