RECOMMENDATIONS

That this report to be received as information.

REASON FOR THE REPORT

On March 22, 2006, Council approved By-law 125/2006. By-law 125/2006 section 10 requires annual reporting on net actual revenues generated relating to the Entertainment Funding Tax and total value of grants or other disbursements to arts and cultural organizations.

IMPLICATIONS OF THE RECOMMENDATIONS

Annual reporting requirement of the by-law will be met.

HISTORY/DISCUSSION

On March 22, 2006, Council passed By-law 125/2006 – The Simplified Entertainment Funding By-law. By-law 125/2006 section 10 requires annual reporting on net actual revenues generated relating to the Entertainment Funding Tax and total value of grants or other disbursements to arts and cultural organizations.

Report on use of funds raised
10. As the purpose of this tax is to provide a source of funding for arts and culture in the City of Winnipeg, the City Treasurer shall report annually to Council with a comparison of net actual revenues generated by this tax in the previous fiscal year to the total value of grants or other disbursements to arts and cultural organizations in that same fiscal year.

Entertainment Funding Tax is 10% on an admission price of $5.00 or more for those attending:

- A cinema to view a film or motion picture; or
- An entertainment facility with a total fixed seating capacity of 5,000 persons or more to view an amusement. An amusement means a contest, dance entertainment, exhibition, game performance, program or show and includes a film or motion picture.

Net actual Entertainment Funding Tax revenues generated for the year ended December 31, 2022 were $1,538,279. This is broken down as follows:

Total revenue	$10,280,018
Taxes refunded to 5,000+ seating facilities [1]	8,741,740
Total net actual revenues	$1,538,279

1. Organizations include True North Inc., Winnipeg Goldeyes and Winnipeg Football Club.

Net actual revenues are still lower than pre-COVID 19 levels but are increasing, as reflected in the table below:

2022	$1,538,279
2021	611,119
2020	367,540
2019	2,134,704
2018	2,065,946

Arts and Culture grants paid for the year ended December 31, 2022, were $5,990,208. A listing of Arts and Culture Grant payments is included in the attachment. The attachment includes operating and capital grants and in-kind payments to organizations for arts and culture related initiatives.

Excluded from the attachment are Entertainment Taxes refunded to True North Inc., Winnipeg Goldeyes and Winnipeg Football Club as these amounts are recorded as an offset to refundable entertainment funding tax revenue and therefore not part of net revenues generated.

True North Inc. has a long-term arrangement expiring in 2029 approved by Council. The full amount of the entertainment tax remitted during the year is refunded back at the end of the season.

The Winnipeg Goldeyes has a long-term arrangement expiring December 31, 2038, approved by Council. The full amount of the entertainment tax remitted during the year is refunded back at the end of the season - conditional upon all aspects of an amateur access/community use agreement with the City being honored.

The Winnipeg Football Club has a long-term arrangement subject to annual operating budget approval by Council. The full amount of the entertainment tax remitted during the year is refunded back at the end of the season.

Grants paid out of Councilors' per Capita grants and Mayor's Office funding have been excluded from the attachment due to their discretionary nature. There may be some grants within this funding provided for arts and culture purposes.

In analyzing the actual grants paid, some judgement is required to determine if the grants are for arts and culture-related initiatives. The items listed in the attachment have been determined through discussion with the lead Departments and/or review of the grant applications, which identify the purpose of the funding.
