Proposal: To prominently display our Hall of Fame for Athletes and Builders/Coaches in the gym on the west wall.
Rational: The school currently has the names of the athletes in the Hall of Fame displayed in a case in the foyer of the school. The area in which it is mounted is not seen by the public and access to it is often blocked by gym equipment and deliveries. There is currently no display for the builders/coaches.
Associated Costs: The entire cost of the project which will include a new motorized top-down curtain, removing the speakers, repairing wall blemishes, and displaying the names in the Hall of Fame is estimated at approximately $35 000.
Fundraising: A plan has been established to raise the necessary funds by the selling of the 4-foot by 8-foot advertising boards displayed on the fence in the laneway to the school's parking lot. They are sold for $3 000 for a 3-year term. To incentivize the purchasing of the signs the plan is to sell them for $3 000 for a 5-year term. A promotional letter has been written and will be sent to local businesses.
Timeline: The timeline will depend on the selling of the signs, but it is hoped that the full project will be completed by the fall of 2023.
