Comments in writing: Hello, I wish to respectfully submit to council my support in favour of ending exclusionary zoning laws in Winnipeg. It is imperative that council amends it's application for the Housing Accelerator Fund by:

1. Increase the target for affordable housing from 1342 units to 2250 units
2. All 2250 units must be targeted to the lowest income Winnipeggers by making them rent geared to income.
3. All 2,250 units must be non-market housing owned by public, non profit, co-op or Indigenous- led housing providers.

Thank you for your consideration.
