EXECUTIVE SUMMARY

This administration report requests approval for the 2024 equivalent annual discount rate the City of Winnipeg is offering to property and business owners who elect to pay their taxes in advance of the annual due dates in accordance with Section 334(3) of the City of Winnipeg Charter.

The City's estimated rate of return for the short-term investment is 5.25 percent and the six-month rate available to the taxpayer at Royal Bank of Canada is 3.55 percent. Based on these rates, the Assessment and Taxation Department is recommending an annual equivalent discount rate of 4.0 percent to incent taxpayers to pre-pay their taxes for a better rate than they can receive at their bank, while also enabling the City to earn investment income.

RECOMMENDATIONS

1. That prepayment discounts be given on payments received by the Assessment and Taxation Department during the months of January and February 2024 at the following discount rates:

Realty & Personal Property Tax - payable at par up to June 30 th	Face Value Discount Rate	Equivalent Annual Discount Rate
January	1.620%	4.0%
February	1.313%	4.0%
Business Tax – payable at par up to May 31 st		
January	1.302%	4.0%
February	0.993%	4.0%

2. That, pursuant to Subsection 334(3) of The City of Winnipeg Charter, Council enact the Taxes – Discounts for Prepayments By-law (draft by-law attached as Schedule A) to provide prepayment discounts of the City's 2024 Realty, Personal Property and Business Taxes in accordance with Recommendation 1 of this Report.
3. That the 2024 advertising of the prepayment discounts be limited to the City of Winnipeg website and social media accounts.
4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Subsection 334(3) of *The City of Winnipeg Charter* permits the City to provide for the allowance of discounts when taxes are prepaid, as stated below:

334(3) Council may pass by-laws in respect of real and personal property taxes and business taxes

(c) providing that, when taxes are paid other than by installments, discounts at rates prescribed in the by-law may be allowed on amounts that are prepaid on account of those taxes by dates specified in the by-law.

Council annually adopts a by-law establishing a discount rate that will financially benefit the City and, at the same time, provide an investment opportunity for taxpayers.

IMPLICATIONS OF THE RECOMMENDATIONS

If approved, the City will offer an annual equivalent discount rate of 4.0 percent on tax payments made in advance. This recommendation results in additional net revenue to the City of approximately \$15,559 assuming the same volume of prepayments as were received in 2023.

HISTORY/DISCUSSION

The proposed discount rates are based on information received from the Financial Services Branch of Corporate Finance, which considers 5.25 percent as the City's short-term investment interest rate for 2024, which is higher than 2023. A discount rate of approximately 4.0 percent is considered to be fair to both the City and to the taxpayer.

The accelerated cash flow generated by the prepayment of realty, personal property and business taxes increases the City's short-term investment opportunities for the period January to June.

The 2023 accelerated cash flow generated by the prepayments of realty, personal property and business taxes was:

2023 Prepayments	\$2,822,216
Less: 2023 Actual Discount	28,133
Cost to administer	500
	<u><u>\$2,793,583</u></u>

Using the 2023 actual prepayment information, with the City's 2024 expected short-term investment interest rate of 5.25 percent, the following represents the interest income that could be expected in 2024 from depositing the tax prepayments:

2024 Projected Investment Income from Prepayments

	Estimated Prepayments (Based on 2023)	# of months invested	2024 Projected Investment Income
<i>January</i>			
Realty and Personal Property Tax	\$2,521,401	5	\$55,156
Business Tax	94,541	4	1,654
<i>February</i>			
Realty and Personal Property Tax	300,814	4	5,264
Business Tax			
2024 Projected Gross Income	\$2,916,757		\$62,074
less: Discounts and administration costs			46,515
2024 Projected Net Income			\$15,559

This program will be offered as a customer service initiative with full information on the Assessment and Taxation webpage, and posted on the City's social media accounts. In addition, the 311 Customer Contact Centre will be prepared to handle phone calls on this program beginning in January 2024.

It is recommended that Council adopt a by-law to provide for prepayment discounts received by the Assessment and Taxation Department during the months of January and February 2024 at the following discount rates (next page):

Realty & Personal Property Tax - payable at par up to June 30 th	Face Value Discount Rate	Equivalent Annual Discount Rate

Additional Comments: Using the 2023 actual prepayment information, with the City's 2024 expected short-term investment interest rate of 5.25%, the interest income that could be expected in 2024 from depositing the tax prepayments is approximately \$62,074. Discounts and administrative costs are estimated at \$46,515, for a net income from the program of \$15,559. Based on past experience, it is expected that 3,500 - 4,500 property owners will take advantage of the 2024 Prepayment Discount program. This program is included in the annual 2024 budget submission for the Assessment and Taxation Department.
