Agenda item (number and title): REPORT OF THE STANDING POLICY COMMITTEE ON WATER, WASTE  
AND ENVIRONMENT DATED OCTOBER 30, 2023 Advanced Water Metering Solution Business Case

Service inquiry: Submit Comments in writing

Participation preference: N/A

Comments in writing: I am very much opposed to the passing of installing the proposed "smart" water meters bill. There needs to be a full public consultation where the public has access to the Diameter Services report so that they may voice their opinions on it. It is important to include an opt-out clause at low or no-cost as well as not requiring a medical letter to opt-out.
