To whom it may concern,

I wish to record for the record my full support for the recent Motion at the IRPW meeting on October 31/17 to allow the twinning of Wilkes Avenue as the only solution to an east-west corridor thru the southwest residential area of Winnipeg.

As well I further offer my full support to this Motion as it is being presented at the November 8th EPC meeting and listed as EPC agenda item #5.

I cannot stress strongly enough that the twinning of Wilkes Avenue should be the only option discussed and is fully supported by the South Wilkes Community Association.

Thank you
