Comments in writing: Transit funding. There should be a sign inside and outside every transit vehicle reminding the public that MB is helping pay for operations. They are a polite thank you for donating to Transit. If the NDP will pay the city more, please sign the deal. BRT has been a monstrous waste of taxpayer funds. To continue spending on plans to make more of a mess of the system is to willfully do the wrong thing. Please don't. You are now spending a lot of tax dollars on plans for more BRT. If you devoted a fraction of that money to making real improvements, we would now enjoy much better service.
