EXECUTIVE SUMMARY

Community Services Department currently leases the property at Unit 100 – 131 Provencher Boulevard commonly known as the St. Boniface Library (14,286 sq. ft.). The most recent agreement expired in 2022 and a new 10-year lease is being submitted for consideration. Options for relocation were analyzed but the current location remains the preferred location.

The proposed lease will increase the accommodation costs to the Community Services Department by $271,434.00 over the 10-year term (i.e., total base rent will increase from $1,910,038.20 to $2,181,472.20). Operating costs are estimated at $137,145.60 per annum.

RECOMMENDATIONS

1. That the proposed terms and conditions for a Lease Agreement, attached hereto as Schedule A, between the City of Winnipeg and 131 Provencher Holdings Ltd., for the proposed Leased Area at Unit 100 – 131 Provencher Blvd., be approved.

2. That the City enter into, execute and deliver a Lease Agreement with 131 Provencher Holdings Ltd., and such other agreements as determined necessary by the City Solicitor / Director of Legal Services, to implement the intent of the foregoing (the “Ancillary Agreements”).

3. That the authority be delegated to the Director of Assets and Project Management Department to negotiate and approve the terms and conditions of the Lease Agreement and the Ancillary Agreements, in accordance with the report, and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.

4. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Pursuant to the Real Estate Leasing and Licensing of Property Policy adopted by Council on September 29, 2021, Council approval is required for a Municipal Accommodations lease or license in excess of 10 years (not including a five-year option to renew); or $2,000,000 in combined Base Rent, proportionate Operating Costs and Tenant Improvements. As the proposed lease will incur over $2,000,000 in rent and operating costs, it requires Council approval.

IMPLICATIONS OF THE RECOMMENDATIONS

If the proposed lease is approved, the St. Boniface Library will remain in its current location, thereby providing uninterrupted service to the citizens of St. Boniface and Winnipeg. This will also avoid potential costs for moving and tenant improvements associated with any relocation.

The new base rent, effective July 1, 2022, will increase $1 per square foot (psf) for each rate renewal period (i.e. an additional $1 psf for each of years 1 to 4; years 5 to 7; and years 8 to 10). This will result in an increase in accommodation charges to the Community Services Department, Library Services Branch, of approximately $271,434.00 over the term (i.e. total base rent will increase from $1,910,038.20 to $2,181,472.20). Operating costs are estimated at $137,145.60 per annum.

There are no environmental, regulatory, operational, human resource or other implications of this report.

HISTORY/DISCUSSION

On October 28, 1988, the City of Winnipeg (the “City”) entered into a 10-year lease for the use of 14,286 square foot of space at Unit 100-131 Provencher Boulevard, commonly known as the St. Boniface Library. The initial term of the agreement included a lease rate of $12.25/sq. ft. for the 10-year term, with the option to renew for an additional two five-year terms.

The Committee on Finance and Administration approved the first renewal on May 9, 1997, and extended the lease term from July 1, 1997, to June 30, 2002, with a reduced rental rate of $11.50/sq. ft., which was a result of the City undertaking improvements (new flooring), and reducing the parking allotment from 20 down to 11. The second renewal was approved on January 10, 2002, by the then Standing Policy Committee on Property and Development, maintaining the rental rate of $11.50 per square foot and extending the term until 2007.

In 2006, before the second renewal term had expired, the property changed ownership and the original lease was assigned to the new owner (131 Provencher Holdings Ltd.). As such, a third additional five-year term was requested, and approved by the Standing Policy Committee on Property and Development on June 6, 2006. The rate remained unchanged, ($11.50 per square foot) and the term was to end on June 30, 2012.

On September 28, 2011, Council approved a new 10-year lease at the following base rates:

i. July 1, 2012, to June 30, 2016 - $11.62/sq. ft. - $166,003.32 per annum
ii. July 1, 2016, to June 30, 2019 - $12.62/sq. ft. - $180,289.32 per annum
iii. July 1, 2019, to June 30, 2022 - $13.37/sq. ft. - $191,003.82 per annum

In early 2022, with the lease agreement subject to future expiration, the Municipal Accommodations Division reviewed the City's portfolio for suitable alternate locations for the library but did not identify any existing properties satisfying the Program of Requirements (see Appendix A - Vacant Civic Properties).

Additionally, the Public Service undertook a market survey of existing properties that could be purchased and redeveloped by the City within the St. Boniface Ward; however, no suitable buildings were identified. Finally, the cost of a new build was compared against the proposed lease rate. Specifically, a market survey in March 2023 identified a single civic property (see Appendix A) not meeting development requirements and two parcels of land for purchase. As per Appendix B - Vacant Land for Purchase/Development by City for Library, both parcels are far smaller than is required (approximately 0.5 acre). With no viable options to buy or build elsewhere, discussion with the landlord proceeded for a lease renewal at 131 Provencher.

Though the lease expired on June 30, 2022, both parties agreed to abide by the terms and conditions of the prevailing agreement as of June 30, 2022, pending completion of the subject lease agreement.

The Public Service has negotiated the terms and conditions for another 10-year lease agreement, to expire on June 30, 2032, at the following rates:

i. July 1, 2022 to June 30, 2026 - $14.37/sq. ft. - $205,289.82 per annum
ii. July 1, 2026 to June 30, 2029 - $15.37/sq. ft. - $219,575.82 per annum
iii. July 1, 2029 to June 30, 2032 - $16.37/sq. ft. - $233,861.82 per annum

Further to the base rents indicated above, there are additional costs respecting operating expenses which are estimated at $9.60 per sq. ft., or $137,145.60 per annum.

In accordance with the Real Estate Transaction Management Framework, the Public Service conducted an external appraisal to determine the market net rental value of the proposed lease renewal. The appraisal indicated a market base rent of between $14 - $16 per sq. ft. plus operating costs which is consistent with prevailing market conditions and proposed terms for lease.

The Community Services Department is in support of the proposed 10-year lease agreement and has no concerns with the terms and conditions for the continued use of Unit 100 – 131 Provencher Boulevard.

If the proposed Terms and Conditions are approved by Council, the lease agreement will retroactively commence as negotiated, and be subject to a rent of $14.37/sq. ft, effective July 1, 2022.
