Converting this old retail store into something else will be expensive. Ottawa and the SCO knew this going in.
Other levels of gov from FN to Ottawa are funding this project. The city should be paid for their services, whether provided to the crown or a person at city hall or a FN entity. The days of giving a free apple from the bin to someone because they wear a uniform should be over.
I realize that all of you serve on EPC at the pleasure of the Mayor's office (to use a quaint and antiquated phrase) but this does not seem like the right time or place for such large gifts.
