Dear : Mr. Pittet

REZONING
Location: 1325 Markham Rd.
Riel Community Committee
File No. DAZ 225 /04

An application has been received from Bruce Docking (4005287 Manitoba Ltd.), to amend By-Law No. 6400/94 by rezoning the land shown below from a "C1" Commercial District to a "C2" Commercial District to allow for an expanded list of permitted commercial uses.

RELATED FILES:

SITE DESCRIPTION:

Site Area:
The subject property is approximately 78,000 sq. ft. in total area, a little under two acres. The site has 390'of frontage along Markham Road which is a widened divided right-of –way between Bison Drive and the Chancellor intersection.

Existing Land Use and Zoning:
The existing commercially zoned (C1)one storey building has fifteen units of varying sizes, most of which are occupied by small businesses, dance studios, fitness studios etc.

Surrounding Land Use and Zoning:

North: To the north across Chancellor is a school and a fully developed residential subdivision, zoned R1-5 Residential.
South: To the south is Bison Drive and several large tracts of vacant zoned agricultural land.
East: To the east are single family homes along Alumni Place all zoned R1-5 Residential.
West: To the west is a large multi tenant multiple family complex zoned RM-2 District.

DEVELOPMENT DESCRIPTION:
The applicant proposes to change the zoning of the site to a C2 commercial category in order to add to the list of permitted uses that could establish on the site(i.e. bakeshops, medical & dental clinics or labs, audio/video sales outlets). Potentially contentious uses such as conveniance stores, carwashes and drive-throughs of any type would continue to be conditional uses requiring a public hearing prior to approval.

PLAN WINNIPEG:
The site in question is situated in a Neighbourhood Policy Area which allows for the rezoning of land for commercial development.

ADMINISTRATIVE COMMENTS:
The size and orientation of the existing multi-tenant building and the large number of available parking stalls makes the subject site ideal for a broader range of commercial uses. The proximity to Bison Drive is also extremely advantageous, given that most regular customer traffic will continue to be routed onto the main arterials and not through the adjoining residential areas. As indicated previously, there are uses such as convenience stores which might be deemed by the community to be unsuitable at this location: those kinds of uses are not permitted uses under the C2 zoning. They require a special application and hearing and must face public scrutiny before they are approved on a conditional basis. It is the position of this Department that the vast majority of commercial uses listed as permitted under the C2 category will not have any adverse effect on the existing residential neighbourhood. It is therefore recommended that the subject application be approved by your Committee.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 225/04, attached hereto and dated May 11, 2004, to a "C2" Commercial District.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor/ Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor/ Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Final

C. Knoll
