Dear Ms. Marques:

REZONING
Location: West side of Dovercourt Drive, North of Scurfield Boulevard
City Centre Community Committee
File No. DAZ 238/04

An application has been received from David Goyer Architecture Inc. (Mr. Darcy Harms) on behalf of owner Kleysen Transport Ltd., to amend By-Law No. 6400/94 by rezoning the land shown below from an "A" Agricultural District to an "RM-3" Residential District to allow for twenty (20) duplex bungalow units with double car garages.

RELATED FILES: DASZ 22/98, DAZ 304 B/79

SITE DESCRIPTION:

Site Area:
The overall site area is approximately 156,404 square feet or 3.6 acres, (14,530 square metres). The east property line is 404.4' and fronting onto Dovercourt Drive; the south property line is 375.2' and backs onto the existing industrial development of Scurfield Boulevard.

Existing Land Use and Zoning:
The subject property is currently zoned A: Agricultural and is vacant.

Surrounding Land Use and Zoning:

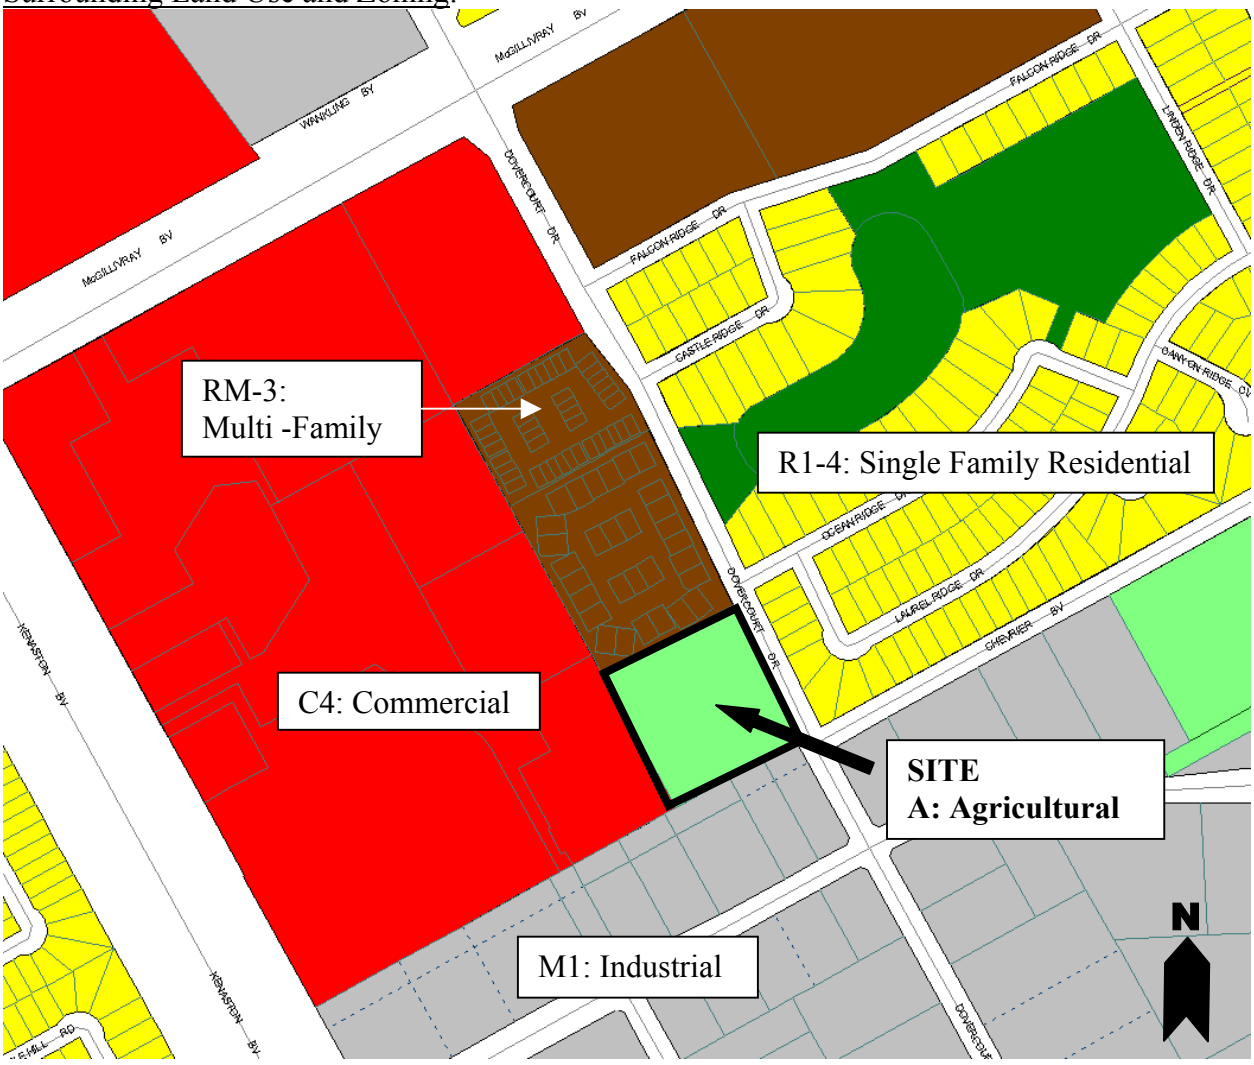

Figure 1: Existing Zoning for Subject Property and Surrounding Area

North: The land adjacent to the north is zoned RM-3: Multiple Family, duplex bungalow units are currently under construction and nearing completion.

South: The land to the south fronts onto Scurfield boulevard and is zoned M1: Industrial. These adjacent properties are occupied by various professional businesses.

East: The land to the east, fronting onto the east side of Dovercourt Drive is zoned both R1-4 and R1-5: Single Family Residential. This residential subdivision is approximately 95% complete and occupied.

West: The land to the west of the subject property is zoned C4-Commercial and is currently occupied by the Linden Ridge Shopping Centre.

Figure 2: Existing Land-Uses for Subject Property and Surrounding Area.

DEVELOPMENT DESCRIPTION:
Darcy Harms of David Goyer Architects will forward details on the project July 5 or 6th.

PLAN WINNIPEG:
The site is within a greater area designated as 'Neighbourhood' in Plan Winnipeg. The document further highlights the immediate context as an 'Area of Regional Commercial and Mixed Use Concentration'. The application complies with Plan Winnipeg.

ADMINISTRATIVE COMMENTS:
The Planning and Land Use Division supports the proposed change in rezoning for the following reasons: 1) The immediate context is a mix of single family and multi-family residential uses in conjunction with some light industrial, (professional offices) and commercial uses. The existing 'A': Agricultural zoning designation of the subject property pre-dates the surrounding development and thus does not fit the current direction of it's context. 2) The design details of the proposal are similar in density and character to the multi-family residential project nearing completion to the north. 3) This rezoning and associated development will make use of an existing vacant piece of land, The proposed multiple family project will help to complete the growing residential fabric of the area.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 238/04, attached hereto and dated, July 2, 2004, to an "RM3" Residential District, subject to the following:

   A. That the developer be required to enter into Servicing Agreement AG 238/04 in accordance with the Administrative Coordinating Group's report dated July 2, 2004.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty-four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VI. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Act.
