EXECUTIVE SUMMARY

The time limit for the Coming into Force provisions of By-law No. 71/2022 under File No. DASZ 53/2021 expired on February 23, 2024. The Developer has not been able to satisfy all of the conditions prior to expiry and has requested an extension of time to complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-law No. 71/2022 be extended to February 23, 2025.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations are concurred in, the Owner will be allowed a time extension to February 23, 2025, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On April 28, 2022, Council adopted Item No. 8 of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated April 5, 2022, which recommended approval of a subdivision and rezoning to an "RMU" Residential Mixed-Use District under Winnipeg Zoning By-Law 200/2006. See Appendix "A" map attached.

The rezoning By-law No. 71/2022 was enacted by Council on February 23, 2023.

Sections 3 and 4 of By-law No. 71/2022 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision and the Zoning Agreement are registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision and the Zoning Agreement have not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

(a) The owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

By-law No. 71/2022 has not come into force by the required registration of the Plan of Subdivision and the Zoning Agreement and the one (1) year time limit expired on February 23, 2024.

On February 13, 2024, Thompson Dorfman Sweatman LLP, c/o Nicholas E. Woelcke, 1700-242 Hargrave Street, Winnipeg, Manitoba, R3C 0V1, submitted an application for an Extension of Time and requested that the time limit to satisfy the Coming into Force provisions of By-law No. 71/2022 be extended until February 23, 2025. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
