Land Dedication Reserve funding will be used to plant approximately 12 trees on the median between Lee Blvd and the service road in the Fairfield Park neighbourhood, Waverley West Ward in 2024. This project aligns with the City's efforts to expand the urban forest canopy in accordance with the Winnipeg Urban Forest Strategy. There are trees existing in this median however there is space for more trees. Exact locations and numbers will be determined once underground clearances have been obtained. This planting will be performed by the City of Winnipeg Urban Forestry Branch. The cost includes purchase and delivery of caliper nursery stock, planting, watering and associated maintenance for establishment of the trees for two years.
