REASON FOR THE REPORT

As the total bid amount exceeds $5,000,000.00, and there are sufficient funds in an approved budget, the award must be approved by the Standing Policy Committee on Property and Development pursuant to Materials Management Policy.

The Public Service is requesting delegated authority for potential contract over-expenditures which can only be provided by Council.

IMPLICATIONS OF THE RECOMMENDATIONS

The funding for this project is provided from Community Services Department “Boni-Vital Pool Renewal” Capital Project budget (Account #6362400321). Sufficient budget is available for the project to proceed with the Award of Tender No. 750-2023B.

On March 17, 2023, the Province of Manitoba approved a contribution of $4,522,269 through the Arts, Culture and Sport in Community Fund (ACSC) resulting in a total project budget of $9,882,269.

The lowest responsive bid of $6,761,480 MRST included, GST extra, is within the Class 1 Cost Estimate of $7,294,000 obtained prior to tender in June of 2023. There is sufficient funding within the capital budget of $9,882,269 to award the proposed Contract and proceed with the project.
