EXECUTIVE SUMMARY

The time limit for the Coming into Force provisions of By-law No. 9/2023 under File No. DAZ 219/2022 will expire on April 27, 2024. The Developer has not been able to satisfy all of the conditions prior to expiry and has requested an extension of time in order to complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-law No. 9/2023 be extended to April 27, 2025.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to April 27, 2025, to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On December 15, 2022, Council adopted Item No.15 of the Report of the Standing Policy Committee on Property and Development dated November 30, 2022 which recommended approval of a rezoning to a "CMU" Commercial Mixed Use District under Winnipeg Zoning By-Law 200/2006. See Appendix "A" map attached.

The rezoning by-law was enacted by Council on April 27, 2023. Sections 2 and 3 of By-law No. 99/2023 stipulate the following:

Coming into force
2 This By-law comes into force when the Zoning Agreement is registered at the Winnipeg Land Titles Office.

Extensions of time
3(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the Zoning Agreement has not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

3(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when:

(a) the owner has applied for an extension of time prior to the date provided in subsection (1); and

(b) Council denies the extension of time.

By-law No. 9/2023 has not come into force by the required registration of the Zoning Agreement and the one (1) year time limit will expire on April 27, 2024.

On March 7, 2024, the Applicant, John Scott Wintrup Planning & Development, Attention: John Wintrup, applied for an Extension of Time application and requested that the time limit to satisfy the Coming into Force provisions of By-law No. 9/2023 be extended to April 27, 2025 in order to complete the required registrations. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.
