EXECUTIVE SUMMARY

The time limit for enactment by Council of the necessary rezoning by-law under DASZ 26/2016 expired on January 24, 2024. The Developer has not been able to satisfy all of the conditions prior to expiry and has requested a fourth extension of time to enact the by-law and complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to provide for the enactment of the necessary rezoning by-law under File No. DASZ 26/2016 be extended to January 24, 2025.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to January 24, 2025, to enact the required rezoning by-law under DASZ 26/2016.

HISTORY/DISCUSSION

On November 16, 2016, Council adopted Item No. 5 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated November 8, 2016 which recommended approval of a subdivision and rezoning to an “R2” Residential Two-Family District under Winnipeg Zoning By-Law 200/2006. See Appendix “A” map attached.

Recommendation 5 of the above-referenced report states:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and Council approves the extension."

On January 31, 2019, Council adopted Item No. 21 of the report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated January 7, 2019 which recommended approval of an Extension of Time and that the time limit for enactment of the necessary by-law for DASZ 26/2016 be extended to November 16, 2020.

On December 17, 2020, Council adopted Item No. 9 of the report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated December 7, 2020 which recommended approval of a second Extension of Time and that the time limit for enactment of the necessary by-law for DASZ 26/2016 be extended to November 16, 2022.

On February 23, 2023, Council adopted Item No. 7 of the report of the Standing Policy Committee on Property and Development dated February 2, 2023 which recommended approval of a third Extension of Time and that the time limit for enactment of the necessary by-law for DASZ 26/2016 be extended to January 24, 2024.

On January 17, 2024, the Developer, Qualico Communities, Attention: Veronica Eno, 1 Dr. David Friesen Drive, Winnipeg, Manitoba, R3X 0G8, submitted an application for a fourth Extension of Time and requested that the time limit for enactment of the necessary by-law for DASZ 26/2016 be further extended to January 24, 2025. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable as circumstances leading to the original approval remain unchanged.

Dear Michele,

Pointe Hebert Extension of Time Request – DASZ 26/2016

At its meeting held on November 16th, 2016, Council approved the subdivision and rezoning application under DASZ 26/2016 and the associated DAC 9/2016 to close the adjacent lane. Subsequently, Council has approved extensions to the time limit to pass the by-law for DASZ 26/2016 to January 24, 2024.

Over the past year, progress has been made on several aspects of the above-noted application. Unfortunately, the adjacent land owned by Qualico (147-155 Rue Darveau) remains undevelopable due to a City of Winnipeg Transit caveat. These lands are integral to the overall redevelopment of this area. We are working diligently to have this caveat removed since the Transit Master Plan was adopted by Council in April 2021. However, the City has indicated that the caveat must remain until the Eastern Corridor Study is completed and approved by Council as well. That is expected to happen in the spring of 2024.

Given these above, we request an extension to allow time to finalize the conditions of DASZ 26/2016 and also complete the caveat removal for the adjacent lands.

If the extension is approved, the next steps include receiving and agreeing to a Purchase Agreement for the laneway, following which the By-law can be forwarded to Council. Once Council passes the By-law, the Public Service will prepare the Development Agreement and Zoning Agreement. It will only be after the execution of those agreements that this subdivision will be ready to proceed to Land Titles for registration.

In our experience, the above process is expected to take several months to complete. We anticipate being able to achieve all conditions and complete all process by the end of 2025.

Please confirm the fee for this application and we will issue payment immediately.

Yours truly,

QUALICO COMMUNITIES
