Comments in writing: PW 3  The loss of the city's gravel and blacktop capacity have not been kind to taxpayers.  I laud those who recognize this fact, and want action to fix the problem.  This goes beyond cost.  When MB and other municipal gov wants paving done, work here may be delayed, if we have no internal capacity.  I am troubled that this item has no cost data, and no hard evidence that tax $ will be saved if we can make our own asphalt.
