Comments in writing: PW 2 Widening rt 90. If the city is serious about reducing the waste of motor fuel, it must ignore those who hate vehicles so much that they oppose anything that could decongest our roads. Gridlock wastes fuel and makes travel more dangerous. Please move forward on this topic as soon as possible, i.e. in 2024. Your report seems very thorough. Please heed it, and get this work done! Thank you from drivers (and transit riders) everywhere.
