See Appendix "A" map attached.

The rezoning By-law No. 46/2021 was enacted by Council on May 27, 2021.

Sections 3 and 4 of By-law No. 46/2021 stipulate the following:

Coming into force

3 This By-law comes into force when the plan of subdivision is registered at the Winnipeg Land Titles Office.

Extensions of time

4(1) Subject to subsection (2), this By-law will expire without coming into force one year after the date on which this By-law is enacted if:

(a) the plan of subdivision has not been registered at the Winnipeg Land Titles Office; and

(b) the owner has not applied for an extension of time.

4(2) This By-law will be deemed to have expired without coming into force on the date provided in subsection (1) when

On June 23, 2022, Council adopted Item No. 8 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated June 6, 2022 extending the time limit to satisfy the Coming into Force provisions of By-law 46/2021 to May 27, 2023.

On July 13, 2023, Council adopted Item No. 9 of the Report of the Standing Policy Committee on Property and Development, dated June 27, 2023, extending the time limit to satisfy the Coming into Force provisions of By-law 46/2021 to May 27, 2024.

By-law No. 46/2021 has not come into force by the required registration of the Plan of Subdivision and the one (1) year time limit expired on May 27, 2023.

Attention: Michelle Hammerberg, Land Development Service Coordinator

Dear Michelle:

RE: CITY OF WINNIPEG – Extension for GROSVENOR APARTMENT HOLDINGS INC.
Vacant Properties located at 874, 876 & 880 Grosvenor Avenue, Winnipeg, MB

We respectfully request an extension to By-law 46/2021 & DASZ 16/2020 for 874, 876 & 880 Grosvenor Avenue in Winnipeg, Manitoba.

We have spent the last year working with the City of Winnipeg to satisfy requirements for the additional 5th floor and in doing so have conducted new shadow studies, new building layouts, new building elevations, new streetscape views, plus additional analysis on the site plan and parking, etc.

The re-analysis of the revised multifamily building was completed April 11, 2024 by Mike Lisowski (Zoning Development Officer). The fees associated with the 5 new variances required have been paid to the City of Winnipeg, totalling $5,124.00 (paid that same week). The file is now proceeding to a public hearing that will take place after the deadline dates for the above referenced files.

Please note, this project was impacted negatively by the Heritage Conservation District, then rapid escalation of costs during the Pandemic, and following that rapid escalation of interest rates. The recent CMHC funding by the Federal Government opens the possibility of establishing a viable project again.

We ask that you extend the coming into force provisions another one year, so we can undertake the public hearing for the new variances and satisfy the city requirements. The City has the mylars, and the $70,000 deposit has been paid to the City to guarantee this project installs a new water line on Wentworth to Grosvenor (to the benefit of the area).

The cheque for $660 plus GST is enclosed to pay the required fee. A status of title is attached for all three properties. We trust this letter satisfies your requirements.

Sincerely,

Grosvenor Apartment Holdings Inc.
