Agenda – Council – July 18, 2024

Report – Executive Policy Committee – July 9, 2024

Item No. 9 Subdivision and Rezoning – 1100, 1102 and 1104 Corydon Avenue (River Heights-Fort Garry Ward)
File DASZ 11/2024 [c/r DCU 127460/2024D and DAV 127485/2024D]

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On July 9, 2024, the Executive Policy Committee concurred in the recommendation of the City Centre Community Committee and submitted the following to Council:

1. That the subdivision proposed under Development Application No. DASZ 11/2024 be approved for preparation as a plan of subdivision (the "Plan") by a Manitoba Land Surveyor for registration in the Winnipeg Land Titles Office in accordance with the proposed by-law attached as Appendix "B" to this report and as shown on the map dated May 29, 2024 and attached as Schedule "A" to this report, with such other minor changes as may be required.

2. That the Developer shall meet all terms and conditions as outlined in Schedule "B", the report of the Administrative Coordinating Group, dated June 11, 2024 to the satisfaction of the Director of Planning, Property and Development.

3. That the Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the subject land to a "C1" Commercial Neighbourhood District in accordance with the proposed by-law attached as Appendix "B" to this report and as shown on the map dated May 29, 2024 and attached as Schedule "A" to this report.

4. That in lieu of the dedication of land, the developer shall provide a cash payment in an amount equal to ten percent (10%) of the appraised value of Development Application No. DASZ 11/2024 (the "Dedication Fee"), as determined by the Director of Planning, Property and Development.

5. That upon instruction from the Director of Planning, Property and Development, the Director of Legal Services/City Solicitor prepare a by-law in accordance with recommendations 1 and 3 (the "By-law") and bring same directly to Council by way of communication for first reading.

Report – Executive Policy Committee – July 9, 2024

EXECUTIVE POLICY COMMITTEE RECOMMENDATION (continued):

6. That upon instruction from the Director of Planning, Property and Development that the Developer has submitted the Plan in accordance with recommendation 1 and has paid the Dedication Fee and all other associated ancillary fees (the "Fees"), and subject to s. 236.1 of The City of Winnipeg Charter, the Director of Legal Services/City Solicitor be directed to return the By-law directly to Council by way of communication for second and third reading.

7. That Development Application No. DASZ 11/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer has not submitted the Plan and paid the Fees within 2 years following the date on which Council gives first reading to the By-law, unless the developer applies for an extension of time before the expiration of that 2 year period and Council approves the extension.

8. That the subdivision section of the By-law will come into force when the Plan is registered in the Winnipeg Land Titles Office.

9. That the zoning section of the By-law will come into force when the Plan is registered in the Winnipeg Land Titles Office.

10. That the By-law will be repealed without coming into force 1 year after the date it is enacted if the Plan is not registered in accordance with recommendation 8 unless the developer applies for an extension of time before the expiration of that 1 year period and Council approves the extension

11. That Development Application No. DASZ 11/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer fails to secure all necessary Plan approval signatures on behalf of the City within 1 year following the date on which the By-law is enacted, unless the developer applies for an extension of time before the expiration of that 1 year period and Council approves the extension.

12. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Report – Executive Policy Committee – July 9, 2024

DECISION MAKING HISTORY:

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On July 9, 2024, the Executive Policy Committee concurred in the recommendation of the City Centre Community Committee and submitted the matter to Council.

COMMUNITY COMMITTEE RECOMMENDATION:

On June 25, 2024, the City Centre Community Committee concurred in the recommendation of the Winnipeg Public Service and, via the Priority Rezoning Process, submitted its recommendation to the Executive Policy Committee.

PUBLIC HEARING SUMMARY

Subject:

Premises Affected: 1100, 1102 and 1104 Corydon Avenue

For submission to: Executive Policy Committee

Prepared by: K. Dolski, Senior Committee Clerk
City Centre Community Committee

Report date: June 25, 2024

Community Committee Recommendation:

On June 25, 2024, the City Centre Community Committee concurred in the recommendation of the Winnipeg Public Service and, via the Priority Rezoning Process, recommended to the Executive Policy Committee:

1. That the subdivision proposed under Development Application No. DASZ 11/2024 be approved for preparation as a plan of subdivision (the "Plan") by a Manitoba Land Surveyor for registration in the Winnipeg Land Titles Office in accordance with the proposed by-law attached as Appendix "B" to this report and as shown on the map dated May 29, 2024 and attached as Schedule "A" to this report, with such other minor changes as may be required.

2. That the Developer shall meet all terms and conditions as outlined in Schedule "B", the report of the Administrative Coordinating Group, dated June 11, 2024 to the satisfaction of the Director of Planning, Property and Development.

3. That the Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the subject land to a "C1" Commercial Neighbourhood District in accordance with the proposed by-law attached as Appendix "B" to this report and as shown on the map dated May 29, 2024 and attached as Schedule "A" to this report.

4. That in lieu of the dedication of land, the developer shall provide a cash payment in an amount equal to ten percent (10%) of the appraised value of Development Application No. DASZ 11/2024 (the "Dedication Fee"), as determined by the Director of Planning, Property and Development.

5. That upon instruction from the Director of Planning, Property and Development, the Director of Legal Services/City Solicitor prepare a by-law in accordance with recommendations 1 and 3 (the "By-law") and bring same directly to Council by way of communication for first reading.

6. That upon instruction from the Director of Planning, Property and Development that the Developer has submitted the Plan in accordance with recommendation 1 and has paid the Dedication Fee and all other associated ancillary fees (the "Fees"), and subject to s. 236.1 of The City of Winnipeg Charter, the Director of Legal Services/City Solicitor be directed to return the By-law directly to Council by way of communication for second and third reading.

7. That Development Application No. DASZ 11/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer has not submitted the Plan and paid the Fees within 2 years following the date on which Council gives first reading to the By-law, unless the developer applies for an extension of time before the expiration of that 2 year period and Council approves the extension.

8. That the subdivision section of the By-law will come into force when the Plan is registered in the Winnipeg Land Titles Office.

9. That the zoning section of the By-law will come into force when the Plan is registered in the Winnipeg Land Titles Office.

10. That the By-law will be repealed without coming into force 1 year after the date it is enacted if the Plan is not registered in accordance with recommendation 8 unless the developer applies for an extension of time before the expiration of that 1 year period and Council approves the extension

11. That Development Application No. DASZ 11/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer fails to secure all necessary Plan approval signatures on behalf of the City within 1 year following the date on which the By-law is enacted, unless the developer applies for an extension of time before the expiration of that 1 year period and Council approves the extension.

12. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

The City Centre Community Committee provided the following supporting reasons for its recommendation:

1. The developer has kept me informed of this project, that's why I didn't have a lot of questions. They've incorporated some of the concerns I had about lack of foliage, especially in the front area, they've incorporated that. They've talked about parking, some concerns about safety, they addressed that. The height, is not really a big problem.

2. They also reached out very well. We did get a few phone calls but they ended very quickly, regarding this application, before the application came in, during the pre-hearing stage.

3. Some of the concerns with the shadow study, they showed there's very minimal if any impact on the neighbourhood, especially the ones on Jesse, behind them, because the sun comes from that side. So, they should be ok.

4. It does take two or three small single unit places and adds more density. It improves stock of the buildings, the other ones that are there. The comic book store, everyone loved the comic book store, but it was old. It was lovely building, but it was time to move on. One of the merchants could be the comic book store reborn, but we will see when that pops up, whatever day that is. I don't think I can put that as a condition, but it is a good addition to that strip on Corydon.

Objections under the Charter:	Total number of **v**alid objections as per section 125(2) – 0 In accordance with section 236.1(1), the threshold for sufficient objection has not been met.

RECOMMENDATIONS

1. That the subdivision proposed under Development Application No. DASZ 11/2024 be approved for preparation as a plan of subdivision (the “Plan”) by a Manitoba Land Surveyor for registration in the Winnipeg Land Titles Office in accordance with the proposed by-law attached as Appendix “B” to this report and as shown on the map dated May 29, 2024 and attached as Schedule “A” to this report, with such other minor changes as may be required.

2. That the Developer shall meet all terms and conditions as outlined in Schedule “B”, the report of the Administrative Coordinating Group, dated June 11, 2024 to the satisfaction of the Director of Planning, Property and Development.

3. That the Winnipeg Zoning By-law No. 200/2006 be amended by rezoning the subject land to a “C1” Commercial Neighbourhood District in accordance with the proposed by-law attached as Appendix “B” to this report and as shown on the map dated May 29, 2024 and attached as Schedule “A” to this report.

4. That, in lieu of the dedication of land, the developer shall provide a cash payment in an amount equal to ten percent (10%) of the appraised value of Development Application No. DASZ 11/2024 (the “Dedication Fee”), as determined by the Director of Planning, Property and Development.

5. That, upon instruction from the Director of Planning, Property and Development, the Director of Legal Services/City Solicitor prepare a by-law in accordance with recommendations 1 and 3 (the “By-law”) and bring same directly to Council by way of communication for first reading.

6. That upon instruction from the Director of Planning, Property and Development that the Developer has submitted the Plan in accordance with recommendation 1 and has paid the Dedication Fee and all other associated ancillary fees (the “Fees”), and subject to s. 236.1 of The City of Winnipeg Charter, the Director of Legal Services/City Solicitor be directed to return the By-law directly to Council by way of communication for second and third reading.

7. That Development Application No. DASZ 11/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer has not submitted the Plan and paid the Fees within 2 years following the date on which Council gives first reading to the By-law, unless the developer applies for an extension of time before the expiration of that 2 year period and Council approves the extension.

8. That the subdivision section of the By-law will come into force when the Plan is registered in the Winnipeg Land Titles Office.

9. That the zoning section of the By-law will come into force when the Plan is registered in the Winnipeg Land Titles Office.

10. That the By-law will be repealed without coming into force 1 year after the date it is enacted if the Plan is not registered in accordance with recommendation 8 unless the developer applies for an extension of time before the expiration of that 1 year period and Council approves the extension

11. That Development Application No. DASZ 11/2024 will be deemed to be concluded and all approvals in connection with same will expire if the developer fails to secure all necessary Plan approval signatures on behalf of the City within 1 year following the date on which the By-law is enacted, unless the developer applies for an extension of time before the expiration of that 1 year period and Council approves the extension.

12. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

This report provides information and makes recommendations regarding the subject application’s compliance with *The City of Winnipeg Charter*, section 249.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendations of the Urban Planning Division are concurred in, the subdivision and rezoning for DASZ 11/2024 – 1100 Corydon Avenue may be approved with conditions.

COMMUNITY:	City Centre Committee
NEIGHBOURHOOD #:	1.607 - Rockwood
SUBJECT:	For a Subdivision and Rezoning to permit the development of an office building.
LOCATION:	1100 Corydon AVE
LEGAL DESCRIPTION:	LOT 36/37 BLOCK 90 PLAN 255 31/5 ST B

APPLICANT:	Pedro Chagas (Chagas Architect + Development Inc.) 61 Airport Rd Winnipeg, MB R3H 0V5
OWNER:	10162508 MANITOBA LTD. 1000 King Edward St 4 Winnipeg, MB R3H 0R2

DISCUSSION

SITE DESCRIPTION

- The subject property is located on the south side of Corydon Avenue, two properties east of Wilton Street, in the Rockwood neighbourhood of the River Heights - Fort Garry ward.
- The site is designated Mature Community under the *Complete Communities Direction Strategy 2.0*.
- The property is made up of two lots, one of which is currently split zoned “C1” – Commercial Neighbourhood and “RMF-M” – Residential Multifamily – Medium.
- The property is 11,490 sq. ft. in size and contains two 1-storey commercial buildings.

Figure 1: Aerial Photo of Subject Site and Surrounding Uses (flown 2023)

SURROUNDING LAND USE AND ZONING (See Figure 2)

North: Corydon Avenue, then commercial uses zoned “C1” – Commercial Neighbourhood

South: Rear lane, then single family dwellings zoned “R1-M” – Residential Single Family - Medium

East: Multifamily dwellings zoned “RMF-M” – Residential Multifamily - Medium

West: Commercial uses zoned “C2” – Commercial Community

Figure 2: Zoning of the site and surrounding area.

DESCRIPTION OF THE PROPOSED DEVELOPMENT

- The applicant seeks to build a 2-storey office building with 3 commercial spaces on the ground floor. Current onsite buildings will be demolished.
- Bike parking and bike showers will be provided.
- The proposal requires a subdivision and rezoning to consolidate the lots and to rezone the property to the “C1” – Commercial Neighbourhood District.

ANALYSIS AND ISSUES

COLLABORATIVE PLANNING

The applicant worked with the Urban Planning Division through a collaborative planning process leading up to completion of the application. The following plan adjustments were made:

Trees
The applicant agreed to provide an arborist report given the presence of healthy looking mature trees located near the west property line.

Signage
Per CCDS 2.0 policy regarding human scaled signage, the applicant agreed to downscale the addressing signage, and add placeholders for pedestrian oriented storefront signs.

Bike parking
The applicant agreed to provide some secure bike parking. This is located within the parking garage.

COMPLETE COMMUNITIES DIRECTION STRATEGY 2.0 (CCDS 2.0)

The site is designated as Mature Community under the *Complete Communities Direction Strategy*. Key policies most relevant to this proposal include:

2.2 Encourage the location of commercial or mixed-use buildings at or near the front and corner side property lines to create a pedestrian orientation. Use setbacks to reinforce the public realm through landscaping and pedestrian amenities, such as entryways, patios, benches, and bicycle parking.

Building design

2.6 Encourage building design to include a range of architectural features that create visual interest and positively contribute to the visual aesthetics of the street and neighbourhood.

2.8 Buildings with commercial uses should be designed to support pedestrian activity by providing building elements that increase visual interest which may include, but are not limited to, the following:

a. Direct pedestrian access to main building entrances from the street;

b. Transparent storefront displays;

c. Human scaled signage; and

d. Decorative lighting, awnings, benches and other pedestrian oriented amenities.

Massing and scale

2.15 Encourage the use of architectural features to articulate building walls in order to mitigate the impact of new building mass.

Parking and loading

2.17 Locate commercial, mixed-use, or multiple family residential parking underground or behind buildings in order to create a more pedestrian-oriented built form. Active uses should be located at grade when these buildings face public streets.

Site design

2.22 Create or reinforce compact, pedestrian-oriented urban development patterns by ensuring the siting, form and scale of new development has a strong relationship to the street, public spaces and amenities in a way that is consistent with neighbourhood context.

Goal 4

4.0 Ensure neighbourhoods accommodate a range of commercial services and amenities within walking distance to meet daily needs.

4.2 In order to protect the vitality and viability of existing commercial areas, encourage the redevelopment and infill of existing commercial areas as the preferred method of accommodating new commercial development.

4.8 Commercial signage should be pedestrian-oriented and contextually sensitive to adjacent uses.

The proposal meets the above policies of CCDS 2.0.

WINNIPEG ZONING BY-LAW 200/06

REZONING AND SUBDIVISION

Locating commercial services within walkable distance of residential districts helps reduce the need for residents to travel to distant commercial areas to meet their service needs. Local access to services in the neighbourhood is one of the key ingredients of Complete Communities (*CCDS 2.0, Mature Communities*, *Goal 4*).

The proposed development is in keeping with the scale of other commercial offices on the same street, is compatible with the area and is not anticipated to have an adverse impact on adjoining properties.

SERVICING CONSIDERATIONS

The Water and Waste Department advises that:

- There is adequate water servicing for the proposed development. Additional review will be required by the Department should the plans of development change during the design process.
- The subject land is located in a combined sewer district; the sum of the wastewater and land drainage runoff peak discharge from the proposed future development cannot exceed the allowable discharge rate.

See Schedule B - Report of the Administrative Coordinating Group - for more information.

OTHER CONSIDERATIONS

PUBLIC CONSULTATION

The applicant held public consultations on the proposed project. The applicant indicates they sent a door mailer to 7,500 households with a description and rendering of the proposed project and an invitation to an open house.

An open house was held on January 22, 2024, from 5:30pm – 7:30pm

The applicant also indicated that they received many telephone responses to the mailer.

The mailer is Appendix ‘B’ of Associated File DAV 24-127485/D.

SUMMARY

The Urban Planning Division supports the subdivision and rezoning because the proposal contains the following features which align with *Complete Communities 2.0:*

- Ensuring neighbourhoods accommodate a range of commercial services and amenities within walking distance to meet daily needs.
- Encouraging infill of existing commercial areas as the preferred method of accommodating new commercial development
- Reinforcing compact, pedestrian-oriented urban development patterns by ensuring the siting, form and scale of new development has a strong relationship to the street, public spaces and amenities in a way that is consistent with neighbourhood context.

- Directing pedestrian access to main building entrances from the street, contains transparent storefront displays, human scaled signage and decorative lighting, awnings, benches and other pedestrian oriented amenities.

OURWINNIPEG POLICY ALIGNMENT

OurWinnipeg Goal: City Building

Objective 1: Responsibly plan, prioritize and accommodate growth in areas that best support *Complete Communities* principles, to achieve this Plan's sustainable development goals.

Objective 2: Integrate resilient land use, transportation and infrastructure planning, and investments.

Objective 3: Facilitate development opportunities that complete established communities, and plan new communities as complete and connected from the outset.

WINNIPEG CLIMATE ACTION PLAN ALIGNMENT

Strategic opportunity 4: Facilitate Compact, Complete Development and Increase Density

- 4.1 Increase Strategic Infill Development that Provides Access to and Capitalizes on Existing and Planned Corridors with Frequent Transit Service.

WINNIPEG POVERTY REDUCTION STRATEGY ALIGNMENT

Consideration was given as to whether this report connects to any of the specific Goals and Objectives in the PRS and it was determined that the PRS is not applicable to this specific report.

SCHEDULE B

REPORT OF THE ADMINISTRATIVE COORDINATING GROUP

RE: PROPOSED REZONING OF LAND LOCATED AT 1100, 1102 AND 1104 CORYDON AVENUE

The Administrative Coordinating Group (ACG) reviewed the servicing requirements for DASZ 11/2024. The applicant should take into consideration the following servicing and design requirements and considerations in the redevelopment of the site:

Section I – General Comments

1) Public Works Department advises that the proposed site plan appears to show a proposed encroachment within the Corydon Avenue right-of-way. Public Works has concerns with the proposed encroachment and recommends the site is designed without any encroachments.

2) The Water and Waste Department advises there is adequate water servicing for the proposed development. Additional review will be required by the Department should the plans of development change during the design process.

3) The subject land is located in a combined sewer district; the sum of the wastewater and land drainage runoff peak discharge from the proposed future development cannot exceed the allowable discharge rate:
   i. The allowable discharge rate will be the sum of the existing peak wastewater and the peak land drainage discharged.
   ii. The peak land drainage discharged from the site must be based on a c-value of 0.40, with a 25 year rainfall event applied providing on-site storage.
   iii. The existing and proposed peak wastewater discharge must be estimated using the Wastewater Flow Estimation guidelines found on the City of Winnipeg website (http://winnipeg.ca/waterandwaste/dept/wastewaterFlow.stm), unless otherwise approved.
